The Encyclopedia of American Immigration

throughout the world, which deal with history from the earliest to the most recent times. The works are arranged systematically according to period, region or historical discipline, and within this classification alphabetically. The bibliography provide political and civic leadership, and, of course, plant churches and schools. His land dealings, albeit time ...

The Forerunners

history of Chicago itself. With over 60 photos and maps this book, put together by the Clear-Ridge Historical Society, is the first attempt at telling the story of this historic community.

Doctors for the Kingdom

Ethnic community within the larger American experience. Although these aims are pervasive across ethnic heritage celebrations, two festivals that appear similar may nevertheless serve radically different social and political aims. Accordingly, The...

The Dutch American Identity

remain astonishing and excruciating."—The New York Times Book Review In 1942, with Nazis occupying Holland, a thirteen-year-old Jewish girl and her family fled their home in Amsterdam and went into hiding. For the next two years, until their...

The Diary of a Young Girl

in the United States. The book, which was first published in 1974, tells the story of the immigrant experience in America and is a testament to the resilience of the human spirit. The story begins in Europe, with a brief history of the church out of which the Reformation grew. The scene then shifts to New Amsterdam in 1628, where a miniscule church survived the English conquest and...

By Grace Alone

In 2012, the U.S. Census Bureau released its estimates showing the proportion of the U.S. population that is foreign born has increased to a record high. The story that has been told of this period is one of economic and cultural melting pots, where immigrants from around the world have come together to create a unique American identity. But what about the religious landscape of this time? How did religion influence the ideas and actions of immigrants and their descendants? In By Grace Alone, Robert Brueggemann argues that religious traditions played a crucial role in shaping the lives of immigrants and their children. He examines the role of religion in shaping the identity of American immigrants and their descendants, and explores how religious beliefs and practices have continued to shape the United States to this day.

The Hollanders of Iowa

is a visual history of this proud community, which was founded in 1911 and is situated in the heart of the Calumet region of Illinois. The book begins with a brief history of the area and its people, followed by a look at the Dutch settlers who farmed the area’s fertile soil, planting cabbages and onions. They also brought traditions and values that have remained a fundamental part of the community’s life. South Holland is a visual history of this proud community,

The Hollanders in the Calumet Region

and great - from the diary of a frail young woman who survived near calamity at sea but ended her life at eighty-one, the widow of the president of Queen’s College, to the boy from a farm in Iowa who built the Crystal Cathedral. The reader will...
