When Sam meets Caroline, she has to keep her new friend with a refreshing sense of humor and no style a secret, right up there with Sam’s weekly visits to her psychiatrist. Caroline introduces Sam to Poet’s Corner, a hidden room and a tight-knit group of misfits who have been ignored by the school at large. Sam is drawn to them immediately, especially a guitar-playing guy with a talent for verse, and starts to discover a whole new side of herself. Slowly, she begins to feel more “normal” than she ever has as part of the popular crowd . . . until she finds a new reason to question her sanity and all she holds dear. “Clueless meets Dead Poets Society with a whopping final twist.” - Kirkus Reviews

"This book is highly recommended-readers will connect with Sam, relating to her anxiety about her peers, and root for her throughout the book." - VOYA

"A thoughtful romance with a strong message about self-acceptance, [this] sensitive novel boasts strong characterizations and conflicts that many teens will relate to. Eminently readable." - Booklist

"Brilliant, brave, and beautiful." - Kathleen Caldwell, A Great Good Place for Books

"A riveting story of love, true friendship, self-doubt and self-confidence, overcoming obstacles, and truly finding oneself." - Melanie Koss, Professor of Young Adult Literature, Northern Illinois University

"Romantic, unpredictable, relatable, and so very enjoyable." - Arnold Shapiro, Oscar- and Emmy-winning Producer

"Characters to love and a story to break your heart. Readers will want to turn page after page and read every last word. Then do it all over again." - Marianne Follis, Teen Librarian, Valley Ranch (Irvine) Public Library

**Famous**

Lisa Desimini 2015-09-01

**FAMOUS** is a short illustrated poem. Both text and illustrations have a charmingly ironic take on what it means to be "famous." At once simple and profound, it "enamours the mind and heart." Ironically, it is the “least famous poem, with an established fan base! FROM THE POET: Over the years when I visited schools, students of all ages gathering in their libraries or auditoriums would often clamor to ask me, "Are you famous, Miss?" before I even began speaking about writing. The concept confounded me. Of course I could never say "Yes" and I realized that saying "No" might mean they would be less attentive, so I meditated on the oddity of the word and the concept itself and wrote this little poem that I could read whenever they asked. Sometimes they thought I was trying to trick them. Huh? Sometimes they laughed. But they always paid good attention afterwards, and I liked that the poem might bend their idea of what the word even means. Sometimes I started by saying "Everything is famous if you notice it. Sure, here’s my answer." I think the poem has served me well. My biggest surprise has been, everyone’s always wants me to read this poem. I guess it is one of my three most often-requested poems. Teachers always mention it. Parents have told me they copy it on graduation cards for their high school seniors. I’ve seen it hand-printed on posters in many classrooms. Students participating in UIL public speaking competitions often recite it. It’s been printed on more than one standardized test. I allow it to be printed because I like to imagine students can have friendly moments even while taking ominous tests. Book artist Lisa Desimini, whose work I cherish and delight in, honored me by wanting to illustrate this poem and create a visual experience for the poem as well. Lisa and I imagine Famous as a possible gift book for people of all ages. People who have been famous to us, whom we wish to encourage, who are at a crossroads, who are graduating, who are the youngest in a family with three children. They have to work throughout their childhood. Later, she worked for several years with children before she opened her own dog grooming salon. She has been married for twenty-five years and she has a daughter. She now lives in the Netherlands with her current boyfriend.

**Good Poems**

Various 2003-08-26

America’s beloved author, humorist, and storyteller offers a selection of meaningful and enjoyable poems Every day people tune in to The Writer's Almanac on public radio and hear Garrison Keillor read them a poem. And here, for the first time, is an anthology of poems from the show, chosen by Keillor for their wit, their frankness, their passion, their "utter clarity in the face of everything else a person has to say at 7 a.m." Good Poems includes verse about lovers, children, failure, everyday life, death, and transcendence. It features the work of classic poets, such as Emily Dickinson, Walt Whitman, and Robert Frost, as well as the work of contemporary greats such as Howard Nemerov, Charles Bukowski, Donald Hall, Billy Collins, Robert Bly, and Sharon Olds. It's a book of poems for anybody who loves poetry whether they know it or not.

**Every Last Word**

Tamara Ireland Stone 2015-06-16

A New York Times Best Seller. If you could read my mind, you wouldn’t be smiling. Samantha McAllister looks just like the rest of the popular girls in her junior class. But hidden beneath the straightened hair and expertly applied makeup is a secret that her friends would never understand: Sam has Purely-Obsessional OCD and is consumed by a stream of dark thoughts and worries that she can't turn off. Second-guessing every move, thought, and word makes daily life a struggle, and it doesn’t help that her lifelong friends will turn toxic at the first sign of a wrong outfit, wrong lunch, or wrong crush.
You Fan Ogilvie 2008-10-28 About KNOT: A Life “This is not only a moving, insightful family memoir, recognizing the way pain and attachment are braided too intricately for separation. Fan Ogilvie has also made an artful, writerly work, bringing cause and effect into sequences that recall a Gertrude Stein story. The result is Fan Ogilvie’s "Flock of Pinksy Pards in Gulch Music," newest collection About Fan Ogilvie’s poetry: “Fan Ogilvie’s poetry has a delightful intelligent experience.” -Katia Kapovich, poet "Gogol in Rome" “Cossacks and Bandits” “Whoever said that contrast and beauty. The settings, staged to etch her visions, become a continuous challenge in which we are directly involved.” -Anni Ballardini poet and creator of Fieralingue, the Poet’s Corner, a web site "Fan Ogilvie’s poems are truly wondrous in their jaded and hopeful musings on modern life both in a highly poetic and colloquial tone. In her poems we hear ourselves...." -Carrie McCagh poet and reviewer of Fulcrum, an Annual of Poetry and Aesthetics in Literary Review Magazine "Fan Ogilvie is one of the most sensitive and articulate poets alive when it comes to registering the shifts of nature and subtle changes in the cosmos of the mind. Each poem is an amazingly finely-tuned gauge for capturing the processes that form lived experience.” -Katia Kapovich, poet “Gogol in Rome” “Cossacks and Bandits” “Whoever said that the modern lyric is dead has not read Fan Ogilvie.” -Philip Nikolayev poet and critic “Monkey Time” “Letters from Aldenderry” editor of Fulcrum, an annual of Poetry and Aesthetics in Literary Review Magazine "What the Living Do: Poems" Marie Howe 1999-04-17 "A deeply beautiful book, with the fierce galloping pace of a great novel." —Liz Rosenberg Boston Globe Informed by the death of a beloved brother, here are the stories of childhood, its thicket of sex and sorrow and joy, boys and girls growing into men and women, stories of a brother who in his dying could teach how to be most alive. What the Living Do reflects “a new form of confessional poetry, one shared to some degree by other poets such as Sharon Olds and Jane Kenyon. Unlike the earlier confessional poetry of Plath, Lowell, Sexton et al., Howe’s writing is not so much a moan or a shriek as a song. It is a genuinely feminine form...a poetry of intimacy, witness, honesty, and relation” (Boston Globe).

The Poets' Corner Mr. John Lithgow 2007-11-15 From listening to his grandmother recite epic poems from memory to curling up in bed while his father read funny verses, award-winning actor John Lithgow grew up with poetry. Ever since, John has been an enthusiastic seeker of poetic experience, whether reading, reciting, or listening to great poems. The wide variety of carefully selected poems in this book provides the perfect introduction to appeal to readers new to poetry, and for poetry lovers to experience beloved verses in a fresh, vivid way. Red Suitcase Naomi Shihab Nye 2013-12-20 Poet, teacher, essayist, anthologist, songwriter and singer, Naomi Shihab Nye is one of the country’s most acclaimed writers. Her voice is generous; her vision true; her subjects ordinary people, and ordinary situations which, when rendered through her language, become remarkable. In this, her fourth full collection of poetry, we see with new eyes—a grandmother’s scarf, an alarm clock, a man carrying his son on his shoulders. Valentine for Ernest Mann You can’t order a poem like you order a taco. Walk up to the counter and say, “I’ll take two” and expect it to handed back to you on a shiny plate. Still, I like you spirit. Anyone who says, “Here’s my address, write me a poem,” deserves something in reply. So I’ll tell a secret instead: poems hide. In the bottoms of our shoes, they are sleeping. They are the shadows drifting across our ceilings the moment before we wake up. What we have to do is live in a way that lets us find them. Once I knew a man who gave his wife two skunks for a valentine. He couldn’t understand why she was crying. “I thought they had such beautiful eyes.” And he was serious. He was a serious man who lived in a serious way. Nothing was ugly just because the world said so. He really liked those skunks. So, he re-invented them as valentines and they became beautiful. At least, to him. And the poems that had been hiding in the eyes of skunks for centuries crawled out and curled up at his feet. Maybe if we re-invent whatever our lives give us we find poems. Check your garage, the odd sock in your drawer, the person you almost like, but not quite. And let me know.

Introduction to the Spiritual Life Brant Pitre 2021-11-02 A compelling exploration of the biblical foundations, contemplative practices, and spiritual path of Jesus himself—from the bestselling author of The Case for Jesus “What happens when a biblical theologian explores classic spirituality? This book. Pitre’s students have asked, Why have we never heard this before? The reader wonders the same.”—Dr. David Fagerberg, author of Liturgical Mysticism The path of following Jesus is an ancient and storied spiritual tradition. Yet many believers are not familiar with the three major forms of prayer and the three stages of spiritual growth that exist to bring them closer to God. In his most personal book yet, Brant Pitre, PhD, draws on the riches of the Bible, the words of Jesus, and the writings of mystics across the centuries to shed light on the mystery—and wonder—of the spiritual life. Starting with the age-old belief that the path of prayer is not only informative but transformative, Dr. Pitre explores • the Scriptural roots of the major forms of prayer: vocal prayer, meditation, and contemplation • the purgative, illuminative, and unitive stages of spiritual growth • the spiritual exercises of prayer, fasting, and almsgiving • the Jewish roots of the Lord’s Prayer • Lectio Divina: how to pray with the Bible • seven vices and their seven opposing virtues • the battle of prayer: how to deal with difficulty and distractions • the “dark night of the soul” in the Scriptures Full of sacred truths, contemplative insights, and practical steps, Introduction to the Spiritual Life is a biblical road map of the spiritual landscape that enables us to follow Jesus as our primary guide.

The Undressing: Poems Li-Young Lee 2018-02-20 Celebrated poet Li-Young Lee returns with a breathtaking new volume about the violence of desire and the peace of love. The Undressing is a tonic for spiritual anemia; it attempts to uncover things hidden since the dawn of the world. Short of achieving that end, these mysterious, unassuming poems investigate the human violence and dispossession increasingly prevalent around the world, as well as the horrors the poet grew up with as a child of refugees. Lee draws from disparate sources, including the Old Testament, the Dao De Jing, and the music of the Wu Tang Clan. While the ostensive subjects of these layered, impassioned poems are wide-ranging, their driving engine is a burning need to understand our collective human mission.

Chris’s Poetry Corner Chris Degroat 2013-10 In the poems that I wrote, I am hoping that I can give my readers a better understanding and a small glimpse into my mind. The most important reason why I wrote this book is so that my family and my daughter will have something that they can hold dear to them. The other reason is to possibly get published someday, so that people will come to appreciate poetry and their different meanings.
