Asian American Writers Deborah L. Madsen 2005 Presents career biographies and criticism of Asian American writers from the late 19th century up to the current time. Many works focus on the experience of Asians living in the United States.

The Dreamt Land Mark Arax 2020-04-07 An exhaustive, deeply reported account of a few other journalists could have written a book as personal and authoritative. As Arax makes plain in this important book, it’s been the same story in California for almost two centuries now: When it comes to water, “the resource is finite. The greed isn’t.” —Gary Krist, The New York Times Book Review.

A vivid, searching journey into California’s capture of water and soil—the epic story of a people’s defiance of nature and the wonders, and ruin, it has wrought—Arax is from a family of Central Valley farmers, a writer with deep ties to the land who has watched the battles over water intensify even as California lurches from drought to flood and back again. In The Dreamt Land, he travels the state to explore the one-of-a-kind distribution system, built in the 1940s, ’50s and ’60s, that is straining to keep up with California’s relentless growth. This is a heartfelt, beautifully written book about the land and the people who have worked it—from gold miners to wheat ranchers to small fruit farmers and today’s Big Ag. Since the beginning, Californians have redirected rivers, drilled ever-deeper wells and built higher dams, pushing the water supply past its limit. The Dreamt Land weaves reportage, history and memoir to confront the “Golden State” myth in riveting fashion. No other chronicler of the West has so deeply delved into the empires of agriculture that drink so much of the water. The nation’s biggest farmers—the nut king, grape king and citrus queen—tell their story here for the first time. This is a tale of politics and hubris in the arid West, of imported workers left behind in the sun and the fattigued earth that is made to give more even while it keeps sinking. But when drought turns to flood once again, all is forgotten as the farmers plant more nuts and the developers build more houses. Arax, the native son, is persistent and tough as he treks from desert to delta, mountain to valley. What he finds is hard earned, awe-inspiring, tragic and revelatory. In the end, his compassion for the land becomes an elegy to the dream that created California and now threatens to undo it.

Fraser’s Magazine for Town and Country 1839

In the Heart of the Country J. M. Coetzee 2004 Stirred by the torpor of colonial South Africa, and trapped in a web of reciprocal oppression, a lonely sheep farmer seeks comfort in the arms of a black concubine. But when his embittered spinster daughter Magda feels shamed, this lurch across the racial divide marks the end of a tenuous feudal peace. As she dreams madly of bloody revenge, Magda’s consciousness starts to drift and the line between fact and the workings of her excited imagination becomes blurred. What follows is the fable of a woman’s passionate, obsessed and violent response to an Africa that will not heed her.

_Bruegel, Or the Workshop of Dreams_ Claude-Henri Rocquet 1991-11

This historical novel examines the life of the sixteenth century artist, and looks at the events of that time.

**Learning to Dream Again** Samuel Wells 2013-04-26 Meditations that beautifully articulate a contemporary Christian wisdom Through a series of short, thoughtful meditations, Learning to Dream Again shows what true wisdom -- wisdom shaped by Jesus’ earthy humility, shameful suffering, and effervescent joy -- might look like for Christians today. Through the lens of this Christian wisdom, Samuel Wells addresses a number of difficult personal and social issues, including taxes, abortion, torture, hunger, and Christian engagement with broader culture in the arts, sciences, athletics, and medicine. As he seeks to present a faithful rendering of the mind of Christ, Wells deftly ties abstract ideas to everyday Christian living. He groups his meditations thematically into these six chapters: Learning to Love Again, Learning to Live Again, Learning to Think Again, Learning to Read Again, Learning to Feel Again, Learning to Dream Again. Beautifully written and extraordinarily insightful, Learning to Dream Again is both for Christians who have been to church for years but long to ponder the ambiguities and hard questions of faith and life and for new Christians who are just beginning to investigate how the gospel connects to their most searching questions.

**Anthology of Magazine Verse** 1926

_Grain Dust Dreams_ David W. Tarbet 2015-06-26 Explores the history and present-day reality of grain elevators on the Great Lakes. Grain Dust Dreams tells the story of terminal grain elevators—concrete colossi that stand in the middle of a deep river of grain that they lift, sort, and send on. From their invention in Buffalo, New York, through their present-day operation in Thunder Bay, Ontario, David W. Tarbet examines the difficulties and dangers of working in a grain elevator—showing how they operate and describing the effects that the grain trade has on the lives of individuals and cities. As Tarbet shows, the impact of these impressive concrete structures even extends beyond their working lives. Buildings that were created for a commercial purpose had a surprising and unintended cultural consequence. European modernist architects were taken by the size and elegance of American concrete elevators and used them as models for a revolution in architecture. When the St. Lawrence Seaway made it possible for large ships to bypass Buffalo, many Buffalo elevators were abandoned. Tarbet describes how these empty elevators are now being transformed into centers for artistic and athletic performance, and into a hub for technical innovation. Buffalo has found a way to incorporate its unused elevators into the life of the city long after the grain dust from them has ceased to fly. “Grain Dust Dreams is a miniaturist masterpiece. David Tarbet was raised in a Canadian grain shipping hub, and takes us on a fond and fascinating tour of the history, the culture, and the technology of North American grain elevators. Beautifully written and rigorously researched, Grain Dust Dreams is an unusually charming addition to industrial history.” — Charles R. Morris, author of _The Dawn of Innovation: The First American Industrial Revolution_ “Drawing on personal experience, David Tarbet writes with authority. This is an important subject presented in a manner that’s accessible to all.” — Thorold Tronrud, Director, Thunder Bay Historical Museum “Grain Dust Dreams is an intimate and personal account of the impact of the grain industry on two North American communities. The reader will be transported into the inner workings of a grain elevator, and uncover the significance the elevators had on the communities in which they reside. Readers will also enjoy the personal accounts from workers in these engineering marvels along with the hazards encountered by their operators. Tarbet also explores the perplexing question many communities face: how to repurpose these majestic structures so that they last for posterity.” — Tim Bohem, author of _Against the Grain: The History of Buffalo’s First Ward_
Norris and the pastoral warmth of Eugene Peterson, Kansas pastor Roth sets forth a vision for vibrant rural churches, for ministry in congregations that bear a profound sense of both loss and possibility, and for harvesting fruits of transformation and renewal. Rooted in stories from Scripture, his own ministry, and interviews with rural church leaders, Roth offers a sturdy theological and practical alternative to church-growth strategies that rely on success stories and flashy metrics. Reclaiming God’s vision for the rural church, Roth writes, means learning how to praise, abide, watch, pray, grow, work the edges, die, befriend, and dream. In God’s Country, rediscover the stunning abundance of God’s presence in rural communities. Name the ways that the rural church testifies to God’s glory and goodness. Learn to live and love and minister right where you are, no matter how small or unassuming it may seem. Winner of the Award of Merit, Christianity Today 2018 Book Awards, The Church / Pastoral Leadership category. Free downloadable study guide available here.

Power Misses II

David E. James 2020-10-27 Like David James’ earlier collection of essays, Power Misses: Essays Across (Un)Popular Culture (1996), the present volume, Power Misses II: Cinema, Asian and Modern is concerned with popular cultural activity that propose alternatives and opposition to capitalist media. Now with a wider frame of reference, it moves globally from west to east, beginning with films made during the Korean Democracy Movement, and then turning to socialist realism in China and Taiwan, and to Asian American film and poetry in Los Angeles. Several other avant-garde film movements in L.A. created communities resistant to the culture industries centered there, as did elements in the classic New York avant-garde, here instanced in the work of Ken Jacobs and Andy Warhol. The final chapter concerns little-known films about communal agriculture in the Nottinghamshire village of Laxton, the only one where the medieval open-field system never suffered enclosure. This survival of the commons anticipated resistance to the extreme and catastrophic forms of privatization, monetization, and theft of the public commonweal in the advanced form of capitalism we know as neoliberalism.

Contemporary Authors New Revision Series

Scot Peacock 2001-09 In response to the escalating need for up-to-date information on writers, Contemporary Authors® New Revision Series brings researchers the most recent data on the world’s most-popular authors. These exciting and unique author profiles are essential to your holdings because sketches are entirely revised and up-to-date, and completely replace the original Contemporary Authors® entries. For your convenience, a soft-cover cumulative index is sent biannually. While Gale strives to replicate print content, some content may not be available due to right’s restrictions. Hiking from Here to WOW: Utah Canyon Country

Kathy Copeland

2013-03-15 This full-color guide covers 90 trails in southern Utah’s spectacular canyon country that epitomize the “wonder of wilderness.” The authors hiked more than 1600 miles through Zion, Bryce, Escalante–Grand Staircase, Glen Canyon, Grand Gulch, Cedar Mesa, Canyonlands, Moab, Arches, Capitol Reef, and the San Rafael Swell in order to compile their list of 90 WOW hikes. Coverage ranges from short dayhikes to multi-day backpacking adventures. The book describes precisely where to find the redrock cliffs, slick-rock domes, soaring arches, and ancient ruins that make southern Utah unique. And it does so in a refreshing style—honest, literate, entertaining, and inspiring.

Dream I Tell You

Hélène Cixous 2006 This book is an account of, and commentary on, a collection of dreams by the novelist, playwright and theorist Hélène Cixous.

The Bookshop of Dust and Dreams

Mindy Thompson 2021-10 This moving story about a magical bookstore explores the ways war can shape a family and is perfect for book lovers everywhere, especially fans of Pages & Co., Pax, and Wolf Hollow. It’s 1944 Sutton, NY, and Poppy’s family owns and runs, Rhyme and Reason, a magical bookshop that caters to people from all different places and time periods. Though her world is ravaged by World War II, customers hail from the past and the future, infusing the shop with a delightful mix of ideas and experiences. Poppy dreams of someday becoming shopkeeper like her father, though her older brother, Al, is technically next in line for the job. She knows all of the rules handed down from one generation of Bookseller to the next, especially their most important one: shopkeepers must never use the magic for themselves. But then Al’s best friend is killed in the war and her brother wants to use the magic of the shop to save him. With her father in the hospital suffering from a mysterious illness, the only one standing between Al and the bookstore is Poppy. Caught between her love for her brother and loyalty to her family, she knows her brother’s actions could have devastating consequences that reach far beyond the bookshop as an insidious, growing darkness looms. This decision is bigger than Poppy ever dreamed, and the fate of the bookshops hangs in the balance.

Mopsa the Fairy

My Country Roots

Alice Randall 2006-12-03 How do you define rockabilly? Who were the original “outlaws” of Country music? Where can you go to hear...
great music in Austin, Texas? My Country Roots answers all these questions and hundreds more! It is a resource that will help you fill your mp3 player with the essential Country songs, while impressing your friends with your knowledge of the ultimate outsider art. Containing 100 recommended playlists for downloading, this book is the best and most unique way to explore the Country music genre in a modern, easy, convenient way. Each playlist walks you through the history, culture, and relevance of Country music, revealing the authenticity and raw truth that represents Country. Whether you are a long-time lover of Country music or just discovering the genre, this book will help you not only organize your music, but explore, evaluate, and critique the music while learning about the basics of Country—what we sound like, what we believe in, where we’ve come from, and where we’re goin’. This guide also provides a behind the scenes look at some of the cities that have spawned the greatest music of the genre and films that have contributed to the mystique which defines Country. For all you music lovers, mp3 users, or folks who are interested in discovering or rediscovering your country roots, this is a book you can’t live without!

The Last Great Army of the Malazan Empire is resolved to make one final, defiant, heroic stand in the name of redemption. But can deeds be heroic when there is no one to witness them? The Deck of Dragons has been read, unleashing a dread power that none can comprehend... Dreams to Dust Sheldon Russell 2012-11-27 On a fateful day in 1889, the Oklahoma Land Rush begins, and for thousands of settlers the future is up for grabs. One of those people is Creed McReynolds, fresh from the East with a lawyer’s education and a head full of aspirations. The mixed-blood son of a Kiowa mother and a U.S. Cavalry doctor, Creed lands in Guthrie station, the designated Territorial Capital, where he must prove that he is more than the half-blood kid once driven from his own land. In recounting the precipitous rise and catastrophic fall of the jerrybuilt city of Guthrie, author Sheldon Russell immerses us in the lives of Creed and other memorable characters whose ambitions echo the taming of the frontier—and whose fates hold lessons as important today as they were more than a hundred years ago. Among the people McReynolds must contend with is Abaddon Damon. A ruthless newspaper publisher, Abaddon is quick to strike any bargain that will bring him the power he craves, and like many others, Creed McReynolds is swept into his whirlwind of greed and deception. Creed becomes the wealthiest man in the Territory—but at an unbearable cost to himself, the dreams of others, and the dignity of his mother’s people. Dreams to Dust takes readers back to the early days of Oklahoma Territory—a sometimes dangerous place filled with nefarious dealings, where violence lurks behind even casual encounters—to tell the story of frontier men and women gambling everything to find their fortune on the windswept southern plains.

God’s Country Daniel Holmes Mitchell 1910

Country Matters George Klawitter 2001-07-01 George Klawitter, professor of English, teaches at St. Edward’s University where he chairs the Department of English Literature. Previously he taught at Holy Cross College in South Bend, Indiana, and Viterbo University in La Crosse, Wisconsin. He holds an undergraduate degree from the University of Notre Dame, a master’s degree in English Language and literature from the University of Michigan, and a doctorate in Renaissance literature from the University of Chicago. He has edited the poetry of Richard Barnfield and published The Enigmatic Narrator, a study of John Donne’s love poetry. His articles have appeared in Comparative Drama, Mediaevalia, Explorations in Renaissance Culture, and University of Hartford Studies in Literature.

Windmill Land Allen Clarke 1918

Unsettling America Maria Mazzotti Gillan 1994-11-01 A multicultural array of poets explore what it means to be American This powerful and moving collection of poems stretches across the boundaries of skin color, language, ethnicity, and religion to give voice to the lives and experiences of ethnic Americans. With extraordinary honesty, dignity, and insight, these poems address common themes of assimilation, communication, and self-perception. In recording everyday life in our many American cultures, they displace the myths and stereotypes that pervade our culture. Unsettling America includes work by: Amiri Baraka Chitra Banerjee Divakaruni Rita Dove Louise Erdrich Jessica Hagedorn Joy Harjo Garrett Hongo Li-Young Lee Pat Mora Naomi Shihab Nye Marye Percy Ishmael Reed Alberto Rios Ntozake Shange Gary Soto Lawrence Ferlinghetti Nellie Wong David Hernandez Mary TallMountain ...and many more.

The Country of Dreams and Dust Russell Leong 1993 This long-awaited collection of poetry includes “Aerogrammes,” an account of the author’s journey to the Chinese homeland; “In the Country of Dreams and Dust,” featuring male and female voices in sixteen sections; and “Unfolding Flowers, Matchless Flames,” a meditation on the L.A. riots from a Buddhist perspective. Jessica Hagedorn characterizes Leong’s work as “eloquent and mystical”; Ishmael Reed has called it “a breakthrough for the poetry of Diaspora.”

A Dance With Dragons: Part 1 Dreams and Dust (A Song of Ice and Fire, Book 5) George R.R. Martin 2012-03-15 HBO’s hit series A GAME OF THRONES is based on George R.R. Martin’s internationally bestselling series A SONG OF ICE AND FIRE, the greatest fantasy epic of the modern age.
