Sniper One Dan Mills 2008-09-02 A decorated member of the Princess of Wales' Royal Regiment recounts his 2004 tour of duty in Iraq, a six-month service of peaceful intentions that were violently altered by hostile attacks by the people of Al Amarah. 50,000 first printing.

Graveyard Shift Jenn Burke 2019-11-04 Shifting Into High Fear Ghost/god Wes Cooper and his not-life partner, vampire Hudson Rojas, have settled into cohabitation in an upscale part of Toronto. So what if their hoity-toity new neighbors haven’t exactly rolled out the welcome mat for the paranormal pair? Their PI business is booming, and when a suspect they’ve been tailing winds up in the morgue, it’s alongside a rash of other shifters in apparent drug-related fatalities. Now Wes and Hudson must connect the dots between the shifter deaths and an uptick in brutal vampire attacks across the city. Throw in a surprise visit from Hudson’s niece—who may or may not be on the run from European paranormal police (who may or may not exist)—and guardianship of a teen shifter who might be the key to solving the whole mystery (if only she could recover her memory), and Wes and Hudson have never been busier...or happier. But when a nightmare from Hudson’s past comes back to haunt him, their weird, little found family is pushed to the brink. Mucking this up would mean Hudson and Wes missing their second chance at happily-forever-afterlife... This book is approximately 74,000 words One-click with confidence. This title is part of the Carina Press Romance Promise: all the romance you’re looking for with an HEA/HFN. It’s a promise!

Evelina The Omega David Gomadza This is book 2 of the Evelina series. Things get even hot. Raised stakes and a matter of life or death. Mankind’s existence rest on the shoulders of one woman. The Omega. The first woman has become the last woman. The only true seal. What if it was all planned before this world was created? To save all humanity, mankind must find the only true key; the Omega. On the other hand, to restore the lost kingdom of darkness, the devil must find the most wanted catalyst; The Omega. When everyone’s fate is in your hands what are the risks to
yourself? It is a dash against time as total obliteration of the losing team is imminent and inevitable. It is a story of courage, steadfast and honor in the face of death. When loyalty is tested to breaking points. When the person you are to protect is the same person you must kill to save humanity from extinction? Some choices are meant for gods as humans are too weak and unequipped to handle such traumatic experiences. One man’s quest to solve God’s Dilemma, but at what cost? One lady’s quest to clear her name and enjoy life like every woman out there, but with what is at stake will the evil regime turn a blind eye? And at what expense? On the edge of the seat from the word go. A MUST READ.

**A Savage Presence**

WL Knightly 2020-10-23 Now that Connor Cohen is dead, Silas Cohen is free to live the life he wants. But there are still two men in the way. When Enzo Juarez tries to make a new deal with Fiona, her good intentions get the best of her and she unexpectedly puts Silas in danger. Can Alex’s connections save them this time? All bets are off when it’s every man for themselves in this series’ finale.

**Getting Used to Being Shot At**

Mark K. Christ 2010-04 This collection of letters bears witness to the Civil War of the common soldiers and junior officers of the Army of Tennessee. Brothers Alex and Tom Spence described to their family in detail not only the many battles in which they served, but the hardship of campaigning (they marched literally thousands of miles), the pride of serving in battle-proven units, and the pain of losing comrades to bullets and disease. The Spences were a wealthy family who owned land, slaves, and the main hotel in Arkadelphia, Arkansas. With their successful careers and extensive property, they were among Clark County’s most prominent families when the shadow of secession fell across Arkansas. Four years later, Arkansas would be ravaged by war, and Tom and Alex Spence would lie in soldiers’ graves, far from home. Mark Christ has assembled their powerful letters from a collection in the Old State House Museum, weaving in other letters from their extended family and friends, brief but thorough introductions to each chapter, and evocative photographs. The story moves chronologically from the outset of war to the final letter from Alex’s grieving fiancée.

**Then They Started Shooting**

Lynne Jones 2013-09-23 “Remarkable insight and sensitivity . . . deepen[s] our understanding of human resilience and how people rebuild their lives from tragic circumstances.”

—KENNETH ROTH, Executive Director, Human Rights Watch “The stories in this book are eloquently and poignantly recounted, and offer a vital, complex portrait of what the long road to peace looks like.”

—DINAW MENGETU, author of The Beautiful Things That Heaven Bears and How to Read the Air “Profound . . . Rarely do we get the opportunity to delve into the thoughts of the young caught up in such a tragedy—and meet them not just once in their lives but again years later.”

—TIM JUDAH, Europe correspondent for Bloomberg World View, Balkans correspondent for The Economist, and author of The Serbs: History, Myth and the Destruction of Yugoslavia Imagine you are nine years old. Your best friend’s father is arrested, half your classmates disappear from school, and someone burns down the house across the road. Imagine you are ten years old and have to cross a snow-covered mountain range at night in order to escape the soldiers who are trying to kill you. How would you deal with these memories five, ten, or twenty years later once you are an adult? Jones, a relief worker and child psychiatrist, interviewed over forty Serb and Muslim children who came of age during the Bosnian War and now returns, twenty years after the war began, to discover the adults they have become. A must-read for anyone interested in human rights, children’s issues, and the psychological fallout from war, this engaging book addresses the continuing debate about PTSD, the roots of ethnic identity and nationalism, the sources of global conflict, the best paths toward peacemaking and reconciliation, and the resilience of the human spirit. Lynne Jones was appointed an Officer of the Order of the British Empire for her work in child psychiatry in conflict-affected areas of Central Europe and has established and directed mental health programs in areas of conflict and natural disaster throughout Latin America, the Balkans, East and West Africa, the Middle East, and Southeast Asia. Her field diaries have been published in O, The Oprah Magazine and London
Review of Books, and her audio diaries have been broadcast on the BBC World Service.

**Civil War Arkansas, 1863** Mark K. Christ 2012-11-09 The Arkansas River Valley is one of the most fertile regions in the South. During the Civil War, the river also served as a vital artery for moving troops and supplies. In 1863 the battle to wrest control of the valley was, in effect, a battle for the state itself. In spite of its importance, however, this campaign is often overshadowed by the siege of Vicksburg. Now Mark K. Christ offers the first detailed military assessment of parallel events in Arkansas, describing their consequences for both Union and Confederate powers. Christ analyzes the campaign from military and political perspectives to show how events in 1863 affected the war on a larger scale. His lively narrative incorporates eyewitness accounts to tell how new Union strategy in the Trans-Mississippi theater enabled the capture of Little Rock, taking the state out of Confederate control for the rest of the war. He draws on rarely used primary sources to describe key engagements at the tactical level—particularly the battles at Arkansas Post, Helena, and Pine Bluff, which cumulatively marked a major turning point in the Trans-Mississippi. In addition to soldiers’ letters and diaries, Christ weaves civilian voices into the story—especially those of women who had to deal with their altered fortunes—and so fleshes out the human dimensions of the struggle. Extensively researched and compellingly told, Christ’s account demonstrates the war’s impact on Arkansas and fills a void in Civil War studies.

**Getting Used to Being Shot at** Mark K. Christ 2003-02-01 Mannock Norman Franks 2008-09-22 The definitive biography of the WWI fighter pilot Edward “Mick” Mannock—and a revealing investigation into his mysterious fate. Although he was arguably the highest scoring RAF fighter pilot of the First World War, Edward “Mick” Mannock’s life, particularly his death, is still shrouded in mystery. Did he achieve as many victories as are sometimes ascribed to him? How did he die? Where did he die? And more pertinently, where do his remains now lie? Investigative historians Norman Franks and Andy Saunders have assessed all the evidence and cut through the speculation to build a complete picture of the man and his achievements as a fighter pilot. Having unearthed much new and enlightening information, they present a truly balanced overview of his life—and also reveal for the first time exactly where he fell in battle a century ago. Includes photographs

Making Up for Lost Time Karin Kallmaker 2004-05-01 When three love-starved lesbians decide to make up for lost time, the recipe is romance. And with Karin Kallmaker cooking, you know the result will be hot, spicy and mouth-wateringly delicious!!! Master Chef Jamie Onassis has used every penny she has to buy a beautiful country inn she plans to turn into a five-star restaurant. Unfortunately, the inn turns out to be a "handyman's special" and, without the skills or capital to make the necessary repairs, Jamie risks losing everything. Home and garden expert Valkyrie Valentine is a rising star among the do-it-yourself set. A seemingly perfect homemaker, Valkyrie seems destined to become the next Martha Stewart - as long as no one discovers her embarrassing little secret: she can't cook. Reporter Sheila Thintowski is a woman on a mission. Ever since meeting the dazzling, dynamic Valkyrie Valentine, she's been determined to interview her—up-close and extremely personally. Sheila suspects that Valkyrie's hands-on skills extend well beyond home improvement - and she's looking for some private lessons. Delicious recipes and chocolate-as-sublimation await the reader in Karin Kallmaker's uproarious farce of cooking that doesn't stay in the kitchen.
