Chapter One: A New Symbol

A THE BIBLE AND AMERICAN CULTURE

In his book "The Bible and American Culture," Mohler explores the relationship between the Bible and American culture. He argues that the Bible has had a significant impact on American culture, shaping political, social, and moral values. Mohler notes that the Bible has been used as a tool for political and social control, and that the values it promotes have been used to justify certain political and social structures. He also discusses the role of the Bible in American politics, highlighting the influence of the Religious Right in American political life.

Chapter Two: The Bible and American Culture
