teaching, preaching, memorizing, and liturgical use. Today the NIV is accepted by over 60 denominations—more than any other translation—and is supported by a library of reference resources unmatched by any other translation. King James Version -- The classic King James Version (KJV), beloved by generations of Bible readers, was first published in England in 1611. Commissioned by King James I, it was the achievement of nearly fifty translators, who over four years revised the Bishop’s Bible in the light of available Greek and Hebrew documents as well as other contemporary European translations. The result was the first Authorized Version, known as to Americans as the King James Version. Subsequent editions corrected early misprints, modernized some spellings, and standardized features such as punctuation and italicization. The most famous revisions include Longueville’s Cambridge edition of 1628, the Oxford edition of 1669, and Dr. F.H.A. Scrivener’s Cambridge Paragraph Bible of 1873. Zondervan uses the Scrivener edition for its KJV Bibles.

**Reading the Bible as Literature** Jeanie C. Crain 2010-08-09

"Reading the Bible as Literature provides the ideal entry-point to the process of reading, understanding, and assessing what many recognize to be the important and powerful literature of the Bible. Such reading holds potential for helping students understand literature generally and the Bible in itself. The book introduces the tools of literary analysis, including: language and style, the formal structures of genre (narrative, drama, and poetry), character study, and thematic analysis. The book emphasizes the act of reading itself, focusing upon the whole text as it exists in its current form. It invites an experiential entering into and reliving of the Bible's stories, encourages analytical and holistic reading, explores multiple interpretations, and embraces a power of language originating in the mythological, metaphorical, and symbolic. Above all, the book seeks to return the Bible to the common reader and to build in that reader an appreciation for a symbolic. Above all, the book seeks to return the Bible to the

**The Zondervan Encyclopedia of the Bible, Volume 5** Merrill C. Tenney 2010-08-10 Revised edition. Volume 5 of 5. The Zondervan Encyclopedia of the Bible has been a classic Bible study resource for more than thirty years. Now thoroughly revised, this new five-volume edition provides up-to-date entries based on the latest scholarship. Beautiful full-color pictures supplement the text, which includes new articles in addition to thorough updates and improvements of existing topics. Different viewpoints of scholarship permit a well rounded perspective on significant issues relating to doctrines, themes, and biblical interpretation. The goal remains the same: to provide pastors, teachers, students, and devoted Bible readers a comprehensive and reliable library of information. • More than 10,000 pages of valuable information on all lands and people • More than 7,500 articles alphabetically arranged for easy reference • Hundreds of full-color and black-and-white illustrations, charts, and graphs • 32 pages of full-color maps and hundreds of black-and-white outline maps for ready reference • Scholarly articles ranging across the entire spectrum
of theological and biblical topics, backed by the most current body of archaeological research • 238 contributors from around the world

Divide And Conquer - The Mystery Revealed B. L. Knepper 2014-12-07 "Divide And Conquer..." is a study in "rightly dividing the word of truth" (II Timothy 2:15). The study demonstrates the diametric opposition between the Law program that the Nation of Israel entered into with God, and God's response to her generations of rebellion to the benefit of all mankind who choose surrendering faith over their own works of righteousness for salvation. There is only futility and confusion that believers suffer from when they try to apply the program and promises from a different people to their lives. What an unfortunate blow to one's faith it is to feel as though God is not answering their prayers, to feel like they cannot understand the Bible, and to feel like seeing things differently is right for them. But underlying is that the love they may have had for the Holy Scriptures at one time diminishes as they struggle from a weak understanding. God Himself fully intends that the excellency of His power work in our inner man through the right understanding of His Word.

English Language Bible Translators William E. Paul 2015-07-11 More than 300 Bible or New Testament translations, including the popular King James Version, have been produced in English in the past 600 years. These various translations, both obscure and well-known, were undertaken by diligent individuals working either alone or in committees known to number more than 100. This reference work provides information about the men and women who produced English language translations. Arranged alphabetically by surname, each of the 346 entries includes biographical and vocational information; notes on the various editions produced; samples of their translation; and other pertinent facts. In cases where translations were done by committees, the chairpersons and project initiators are covered. Important anonymous translations are also included.

The NIV Kenneth L. Barker 1986 I Never Knew That Was in the Bible Martin H. Manser 2000-02-13 The Ultimate A-Z Resource to Common Expressions and Curious Words from the Bible Martin Manser is a professional reference-book editor and Bible scholar who has compiled and edited more than 70 titles, including dictionaries and biblical reference works. He holds the BA Honours degree in linguistics and an M Phil degree, and he resides with his wife and children in England.

The Contemporary Parallel New Testament John R. Kohlenberger 1997 This volume will be of special interest to readers with an interest in comparing New Testament texts used by evangelical Christians. It features the King James Version, New American Standard Bible (Updated), New Century Bible, Contemporary English Version, New International Version, New Living Translation, New King James Version, and The Message. All these translations, with the exception of the venerable KJV, were published since 1978. TheCPNT is the first parallel resource to include both the NIV and NJK.

"You Shall Not Kill" Or "You Shall Not Murder"? Wilma A. Bailey 2005 "In regard to the Ten Commandments, focuses on the change in the wording of the translations of Exodus 20:13 and Deuteronomy 5:17, from 'kill' to 'murder'"--Provided by publisher. The King James Only Controversy James R. White 2006 01-01 "A thoroughly researched discussion of the development of Bible translations ancient and modern, including key differences between versions such as the New International, New American Standard Bible, and the Authorized Version of 1611"--Provided by publisher.

Textual Criticism of the Old Testament John F. Brug 2014-10-01 A textbook on the textual criticism of the Old Testament based on a high view of the inspiration and inerrancy of the Bible. It also provides a special section on the contributions of Martin Luther as a pioneer of Old Testament textual criticism. The English Bible, from KJV to NIV Jack Pearl Lewis 1991 A History of Bible Translation and the North American Contribution Larson Orinsky 1991 Religion Index Two 1988 The NIV Exhaustive Concordance Edward W. Goodrick 1990 Concordance based on the New International version of the Bible gives complete access to every word of the NIV text as well as to the Hebrew, Aramaic, and Greek terms from which the NIV was translated. Also cross-references some 2,000 key words from the King James version to their NIV equivalents. Annotation copyrighted by Book News, Inc., Portland, OR

Assault on the Remnant Ted Schultz 2017-06-17 It is an interesting fact of history that as the Reformation progressed, the Reformers adopted the Received Text in union with the Waldenses; the Jesuit-inspired counter-Reformation adopted the Latin Vulgate and the Vaticans. What do we see today? Most of the modern versions are based upon the text of the counter-Reformation. In addition, we see increased negativity toward the Textus Receptus and the King James Version. This has not been without adverse effects upon all of Protestantism and Adventism, specifically. This book provides insights into the causes and effects that the doctrinal pluralism of the common text Bibles of the counter-Reformation have had on Adventist doctrine. Search for doctrinally pluralistic translations undermines the function of an interpretive units, an interpretive authority from outside of Scripture is brought into play. As a result, creedalism is overtaking Biblical authority.

Introduction to Biblical Interpretation William W. Klein 2017-03-28 Introduction to Biblical Interpretation, now in its third edition, is a classic hermeneutics textbook that sets forth concise, logical, and practical guidelines for discovering the truth in God’s Word. With updates and revisions throughout that keep pace with current scholarship, this book offers students the best and most up-to-date information needed to interpret Scripture. Introduction to Biblical Interpretation: Defines and describes hermeneutics, the science of biblical interpretation Suggests effective methods to understand the meaning of the biblical text Surveys the literary, cultural, social, and historical issues that impact any text Evaluates both traditional and modern approaches to Bible interpretation Examines the reader’s role as an interpreter of the text and helps identify what the reader brings to the text that could distort its message Tackles the problem of how to apply the Bible in valid and significant ways Provides an extensive and revised annotated list of books that readers will find helpful in the practice of biblical interpretation Used in college and seminary classrooms around the world, this volume is a trusted and valuable tool for students and other readers who desire to understand and apply the Bible.

The Minor Prophets J. Glen Taylor 2016-01-12 Many today find the Old Testament a closed book. The cultural issues seem insurmountable and we are easily baffled by that which seems obscure. Furthermore, without knowledge of the ancient culture we can easily impose our own culture on the text, potentially distorting it. This series invites you to enter the Old Testament by a company of guides, experts that will give new insights into these cherished writings. Features include • Over 2000 photographs, drawings, maps, diagrams and charts provide a visual feast that breathes fresh life into the text. • Passage-by-passage commentary presents archaeological findings, historical explanations, geographic insights, notes on manners and customs, and more. • Analysis into the literature of the ancient Near East will open your eyes to new depths of understanding both familiar and unfamiliar passages. • Written by an international team of 30 specialists, all top scholars in background studies.

The Bible Translator 2005 Introduction to Biblical Interpretation William Wade Klein 1993 The authors define and describe hermeneutics, the science of Bible interpretation, and suggest effective methods to understand the meaning of any biblical text. In Discordance with the Scriptures Peter Johannes Thuesen

the-niv-the-making-of-a-contemporary-translation
2002 The story of the translation of the Bible in America begins with the King James Version. In fact, many Americans thought of the KJV as the foundational text of the Republic, rather than a cultural inheritance from Anglican Britain. In the nineteenth century, however, as new editions of the Greek New Testament appeared, scholars increasingly recognized significant errors and inconsistencies in the KJV. This soon led to the Bible revision movement, whose goal was the uniting of all English-speaking Protestants behind one new, improved version of the Bible. Ironically, as Peter Thuesen shows in this fascinating history, the revision movement in fact resulted in a vast proliferation of English scripture editions and an enduring polarization of American Christians over versions of Holy Writ. The recurrent controversies over Bible translations, he argues, tell us less about the linguistic issues dividing conservatives and liberals than about the theological assumptions they have long held in common.

Translating the Bible Literally Michael T. Schmid 2016-05-31

Differences in translation between so-called literal Bible versions make it quite appropriate to re-evaluate what is meant by the label literal. What do different literal Bible translations have in common? How do they differ? How do we account for possible different concepts of literalness? How is the concept of literalness applied to the making of a Bible translation? To answer these questions, the author compares three literal Bible translations: the King James Version, the New American Standard Bible and the English Standard Version. For each of these versions, the historical background and the writings of the translators themselves are analysed. The book concludes with a comparison of the three translations in their renderings of selected examples from the Gospel of John.
