Introducing Liberalism in International Relations Theory

WebLiberal theory and American imperialism One of the more interesting illustrations of liberalism comes from the foreign policy of the United States during the early twentieth century. During this period, the United States was liberal, but according to the dominant historical narrative, also imperialistic (see Meissner 2015).

SINT 1 REFURBISHING HISTORY

WebAttempts to create a singular narrative about the past. Postmodern approaches to history writing makes visible the process of making history and shows how historical accounts are also narratives that are fragmented and situated in particular locations. Check Your Progress: In what ways is the postmodern approach different from traditional

Screen Shot 1

WebReplaces narrative as a means of visual communication. One also senses a reluctance — in fact a distinct aversion—to be informative about place or time. Many characters don’t even obey gravity. Employing a worldly Salon artist to tackle these generalized types and schemes was to ask of him quite a lot. The more oracular or legendary the
