**Essential Bible Study Tools for Ministry** David R. Bauer 2014-03-18 This up-to-date, highly selective bibliography is designed to acquaint students and ministers with major works, significant publishers and prominent scholars in biblical studies. It is the perfect guide for beginning a research project or building a ministerial library. References are included based on the following considerations: (1) usefulness for the theological interpretation of the Bible within the context of the faith of the church; (2) significance in the history of interpretation; and (3) representation of evangelical and especially evangelical Wesleyan scholarship.

**An Introductory Bibliography for the Study of Scripture** Joseph A. Fitzmyer 1990 This third edition of the Introductory Bibliography for the Study of Scripture builds on the two preceding editions. Older, obsolete titles have been eliminated, and newer relevant entries substituted, the twenty-four chapters of the book remain the same, but the contents of them have often changed. The book has been internationalized wherever possible and British publishers have been added to entries, when they could be ascertain. The aim of this revision remains what it has always been: to present a list of titles of reasonable length with which the student who is beginning
the study of theology or of Scripture in a serious way might do well to familiarize himself or herself. *Introductory Theology* Zoltan Alszeghy 1982-08-01 No Marketing Blurb *Synopsis Of The Four Gospels* Kurt ed Aland 1982 *Identity of the New Testament Text III* Wilbur N. Pickering 2012-04-16 *The Gospel of Matthew and the Sayings Source Q* Frans Neirynck 1998 *A Practical Guide to Study* Peter Henrici 2004 An English translation from an Italian original offering advice on how to cope with the various methods of study available to university students at the Gregorian University in Rome. *Israel's Last Prophet* David L. Turner 2015 Jesus' words of indictment and judgment in the Gospel according to Matthew have fueled centuries of Christian anti-Judaism. But what did those words originally mean within Matthew's narrative? David L. Turner examines how Matthew has taken up Deuteronomic themes of prophetic rejection and judgment and woven them throughout the Gospel, culminating in Matthew 23:32. Matthew was engaged in a heated intramural dispute with other Jewish groups, Turner argues. The legacy of Christian anti-Jewish violence reflects a gross misunderstanding of Matthew by generations who have failed to recognize the author's worldview and allusions. *Matthew's Judaization of Mark* Anne M. O'Leary 2006-09-23 Creative imitation (Gk., mimesis; Lt., imitatio) was the primary literary convention of the
ancient world of the first century CE. In the first part of the book it is demonstrated that it was the principal means by which classical authors, for example, Virgil, Seneca, Plutarch, and Livy, composed their works. An examination of the use of sources in both Jewish and Christian Sacred Scriptures in the light of this convention provides a new and fruitful approach to scripture scholarship. The Book of Tobit and Paul's First Letter to the Corinthians (1 Cor 8-10) are examined to demonstrate this thesis. This sets the context for an examination of Matthew's use of Mark as a literary source in the light of Graeco-Roman literary conventions in part two of the book. Such a use is entirely plausible when one considers that, "penned in Greek, probably to Diaspora audiences, the canonical gospels reflect Greco-Roman rather than strictly Palestinian Jewish literary conventions." Both the way in which Matthew incorporates his Markan source into his text, and the function and effect of this source in its new Matthean context are examined. This methodology provides compelling evidence that Matthew's use of Mark as a source was toward the Judaization of his Gospel.

The Horizontal Line Synopsis of the Gospels, Greek Edition
Reuben J. Swanson 1982

O Woman, Great is Your Faith! Douglas Sean O'Donnell 2021-08-26 The concept of "faith" holds a central position in New Testament and early Christian thought, yet this concept has not received the careful attention it deserves in
The present study offers a comprehensive analysis of "faith" as a key motif in the Gospel of Matthew, where it plays a major role in communicating this Gospel's vision for how readers should respond to the person and message of Jesus. The argument propounded is that Matthew's unique narrative portrayal of the Canaanite woman's faith (15:21-28) is used for pedagogical purposes, namely, that by comparing and contrasting her "great faith" with those characters expressing "no faith" and "little faith," Matthew uses Jesus's quantitative πίστ-terms to teach on the nature of true faith. She embodies Matthew's theological vision of faith! Even though she is a gentile outsider/enemy, she comprehends the universal scope and abundant blessings of Jesus's mission. Moreover, she acknowledges Jesus's messianic identity, correctly perceiving him to be both David's royal heir and David's Lord. Finally, based on who she perceives Jesus to be and the purpose of his mission, she demonstrates faith as trust manifested in action.

Testament without neglecting its variety. Reflections on Biblical Themes by an Octogenarian
Reuben J. Swanson 2007-01-01
Reflections on Biblical Themes by an Octogenarian represents the journey into faith by the author of the essays over the span of sixty years in the pastoral ministry and as
a professor on college, university, and theological school levels. There has been a continuing growth in understanding from the beginnings of a rather conservative religious background and training to a more mature appreciation and understanding of life. This growth came about through the interchange in the classroom as a student in preparation for ministry, then as a pastor in the everyday work experience and interchange with parishioners and especially in the interchange with students in the classroom. This more mature understanding and growth is reflected in the essays presented in this volume on various themes as listed in the Table of Contents. It is hoped that they will be of value to lay persons and to professionals in the life of the church and in the academic world, and that they will stimulate thought and discussion in parishes and in institutions of higher learning. Some of the viewpoints may seem to be controversial, but how are we to grow intellectually and spiritually unless we wrestle seriously with the deep and profound questions of our faith and life? These reflections are offered with the hope and prayer that they will stimulate discussion and growth in the life of the church in both parish and academic settings.

The Encyclopedia of New Testament Textual Criticism

Robert B. Waltz

This is a PDF based on the contents of a web site I’ve been working on for decades. I do not believe I will ever entirely finish it. But I wanted to make it available. Textual criticism is the process of recovering an ancient document from late and corrupt manuscript copies; New Testament Textual Criticism consists of trying to figure out what the New Testament originally said before scribes messed it up. Dedicated to Dr. Sally Amundson and Dr. Carol Elizabeth Anway and Lily. This version, from July 20, 2013, will probably be the last; the file is almost too large to edit.

The Pastor's Library Robert A. Yost 2017-09-21 In the spirit of Cyril Barber’s classic work from the 1970s, The Minister’s Library, Robert Yost provides students and pastors with expert guidance on building a working ministerial library. From Old and New Testament languages, lexical aids, and
grammatical tools, to commentaries and theologies as well as pastoral resources, Yost is a trustworthy guide through the multiplicity of books that seem to just keep rolling off the presses. *An Introduction to the New Testament*  
Charles B Puskas 2012-08-30  
This second edition of An Introduction to the New Testament provides readers with pertinent material and a helpful framework that will guide them in their understanding of the New Testament texts. Many new and diverse cultural, historical, social-scientific, sociorhetorical, narrative, textual, and contextual studies have been examined since the publication of the first edition, which was in print for twenty years. The authors retain the original tripartite arrangement on 1) The world of the New Testament, 2) Interpreting the New Testament, and 3) Jesus and early Christianity. An appropriate book for anyone who seeks to better understand what is involved in the exegesis of New Testaments texts today.
When You Fast  Harold Ristau 2019-06-04 In our present age in which apostolic Christianity is a foreign notion to many Christians, it is of little wonder that many of the beliefs of our ancient fathers have been deemed outdated, including the importance of fasting. By exploring the Holy Scriptures, patristics, Christian tradition, and personal experience, Lutheran seminary professor Harold Ristau seeks to answer the question “Why fast?” Through this concise examination of a historic Christian practice, which is as rich with meaning today as it was in antiquity, the reader is left with a deepened appreciation for Christian fasting. Ristau’s lively reflections on the relevance of fasting for catechesis, evangelism, and spiritual warfare fill the soul with great consolation. After all, our Lord Jesus’ words—“when you fast”—presume that this vital discipline is already happening, and perhaps without you even knowing it.

A Synopsis of the Gospels in Greek  Arthur Wright 1903
Roots Out of Dry Ground  Reuben J. Swanson 2020-12-04 The art of preaching is a combination of diligent effort and inspiration with diligence being perhaps the primary force. The unusual quality of the sermons in this collection is the imaginative use of the biblical sources, the poetic style in which the message is phrased, and the skillful application of the theme to the current needs of people. This volume represents the concerns of Dr. Swanson that the biblical message be heard in
words that will capture the attention of the hearer and leave a lasting impression. The reader will not soon forget the imagery of the stone, or a face towards Jerusalem, or girded loins and burning lamps. He will relive the experience of Jesus in Gethsemane, the thirst of the woman at the well, and the tragedy of blind Bartimaeus. The end of preaching is to capture the hearer, or the reader, so that the biblical story is not something that happened centuries ago but an event that comes alive in our experience today. Dr. Swanson has fulfilled this purpose admirably. In the words of Dr. John H. Bunn, the author has retrieved "the dramatic method of prophetic poetic preaching." This anthology is sent forth with the prayer that it will be an inspiration to those who preach and to those who hear.
