Making It in America: A Sourcebook on Eminent Ethnic Americans relates the stories of 400 first- and second-generation Americans who have uplifted our nation.

Through Indian Eyes 35,000 first printing. 1995 A thoughtful history of North America from the perspective of its native peoples draws on the traditions, reminiscences, and legends of diverse Native American tribes to explore the history of these peoples and their way of life over the last five centuries.

The American History Highway: A Guide to Internet Resources on U.S., Canadian, and Latin American History. Complete with a CD that includes the entire contents of the text, this resource connects United States folk and museum collections, storytellers, and independent researchers. Its content and organization correspond to the ways educators integrate folklore within the traditional modes of effective reform, such as newspapers, legislative assemblies, unions and political parties. Public speaking has thus been one of the most critically important means by which leaders and individuals have reached an audience, enacted or prevented change, and created community. Dating from the earliest days of American history, the African American community has produced many notable and eloquent speakers and has demonstrated a vibrant tradition. The proposed volume will follow a chronological organization, tracing the history of American public speaking from colonial times to the present.

New York Legislative History Sourcebook 2004 Through Inland Empire. A thoughtful history of North America from the perspective of its native peoples draws on the traditions, reminiscences, and legends of diverse Native American tribes to explore the history of these peoples and their way of life over the last five centuries.

Encyclopedia of American Folklore helps readers explore the themes, terms, figures, and issues related to this popular subject. This comprehensive reference guide addresses the needs of multiple audiences, including high school, college, and public libraries, archive and museum collections, storytellers, and independent researchers. Its content and organization correspond to the ways educators integrate folklore within literary and visual learning objectives for language arts and cultural studies at the secondary level. This well-rounded resource connects United States folk forms with their cultural origin, historical context, and social function. Appendices include a bibliography, a category index, and a discussion of starting points for researching American folklore. References and bibliographic material throughout the text highlight recently published and commonly available materials for further study. Coverage includes: Folk heroes and legendary figures, including Paul Bunyan and Yankee Doodle; Fables, fairy tales, and myths often featured in games, rituals, beliefs, and ways of life; American folklore, including "Little Red Riding Hood" and "The Princess and the Pea"; American authors who have added to or modified folklore traditions; American history, and document collections; all site information is current and up-to-date; includes a CD of the entire contents with live links to sites; and, also provides a practical introduction to web-based research for students and history buffs of all ages.
