An Annotated List of Periodicals Useful in the Study of Latin American Countries 1942
Latin American Studies Garlant, Julia 1990 This is a comprehensive introductory guide to research on Latin America in the social sciences and the humanities. Thirty-seven chapters describe the many types of resources and research techniques available for the study of the region, identify major reference works in the field, and offer suggestions for academic training, travel, and professional development. With an author/title reference-source index, a detailed subject and institutional index, and a guide to acronyms and abbreviations. Designed to address the research needs of students, scholars, and librarians throughout the English-speaking world, this book complements SCONUL's Latin American Bibliography: A Guide, edited by L. Hallewell (1978) and is the result of extensive Anglo-American collaboration.
FLC Newsletter United States. Federal Library Committee 1970
Presidents and Democracy in Latin America Manuel Alcántara 2017-09-07 This new textbook provides students with a comprehensive and accessible introduction to the presidents and presidential leadership in Latin America. Unlike other texts, Presidents and Democracy in Latin America integrates both political analysis and major theoretical perspectives with extensive country-specific
material. Part One examines the developments in recent years in Latin American presidentialism and identifies different characteristics of society and politics which have influenced Latin American governments. The personalization of political life and of presidential government help to illustrate the character of Latin American politics, specifically on the type of political career of those who occupied the presidential office, the leadership style of these presidents and the type of government which they led. Part Two studies two presidents in each of six countries in the region which reflect the broad trends in the political and electoral life: Argentina, Brazil, Chile, Colombia, Mexico, and Peru. Each case study first provides the biographical background of the president; it outlines the political career of the president both inside and outside of a party, including at the local level; the popularity of the president at the time of the presidential election is given, as well as the mode of selection of the candidates (selection by party leaders only, by party members or by a primary). The relation of the president with the government or ministers, especially if there is a coalition government, is detailed. This textbook will be essential reading for all students of Latin American Politics and is highly recommended for those studying executive politics, political leadership, and the state of democratic governance in Latin America.

*A Guide to the Latin American Art Song Repertoire* Stela M. Brandão 2010 A reference guide to the vast array of art song literature and composers from Latin America, this book introduces the music of Latin America from a singer's perspective and provides a basis for research into the songs of this richly musical area of the world. The book is divided by country into 22 chapters, with each chapter containing an introductory essay on the music of the region, a catalog of art songs for that country, and a list of publishers. Some chapters include information on additional sources. Singers and teachers may use descriptive annotations (language, poet) or pedagogical annotations (range, tessitura) to determine which pieces are appropriate for their voices or programming needs, or those of their students. The guide will be a valuable resource for vocalists and
researchers, however familiar they may be with this glorious repertoire.

**The Power of Forgiveness: Pope Francis on Reconciliation**
United States Conference of Catholic Bishops 2021-08-24

The Power of Forgiveness, Pope Francis on Reconciliation calls the reader to explore the mercy of God, received in a profound way by turning toward God in the Sacrament of Reconciliation. This heartfelt collection of the Pope's reflections on the need for repentance, awareness of sin, God's divine mercy, forgiveness of others, and confession and absolution, is a transformative read for Catholics of all vocational states!
