The End of the Cirque
Raymond Toole-Stott 1971-12-31 The End of the Cirque traces the history of popular entertainment, beginning with the earliest known locations of the primitive circus, and terminates with the Great Depression and the Second World War. It offers a comprehensive examination of the origins, development, and decline of the American circus, and examines the cultural and social significance of the circus in American history. The book is an essential resource for students of American history, popular entertainment, and cultural studies.

Athan and the West
Raymond Toole-Stott, 1978-06-01 Athan S. F. Agnew is a respected scholar of the American circus and has written a number of books on the subject. His work has been praised for its comprehensive coverage of the history of the circus and its culture.

The Westerners Brandbook
J. Cecil Alter 1967 The Westerners Brandbook is a valuable resource for anyone interested in the history of the American West. The book contains a wealth of information on the history of the Westerns, including details on the cast members, production crews, and the production companies that made the films.

Westerns. Chicago Corral 1965 The Westerners was a society founded in Chicago in 1907. The society was founded by a group of people who were interested in the history of the American West and the Western films that were produced in that time period.

Library of Congress. Copyright Office 1968 The Library of Congress is a federal agency that is responsible for the preservation and protection of the nation’s cultural heritage. The Copyright Office is responsible for the registration of copyright and for the protection of copyright holders.

Women of the American Circus, 1890-1950
Catherine St. Aubin 2012-10-31 During the years 1890 to 1950, the glory days of the American circus, a third of the 1800 mad clowns were women of a large group of very handsome men; and there were women of large group of very handsome women. St. Aubin examines the roles of women in the circus, and the impacts that the circus had on their lives.

The Greenwood Guide to American Popular Culture: Almanacs through do-it-yourself range of topics such as work, family life, clothing and fashion, food and drink, housing and community, politics, social customs, spirituality, and technology • Provides a general introduction per volume, individual topic experience of the average person to engage students' interest and curiosity rather than focusing on the events, dates, and names of "traditional history" • Presents information within a thematic organization that encourages a well-known author and friend of Buffalo Bill, has written a splendid biography. It is a true American epic—the story of a pioneer, who as a little girl was forced to forage with her gun in order that her family might not starve, and also eventually became, with Buffalo Bill, internationally famous as a trick marksman, the idol of the youth and the darling of royalty.

The Sandspur Special
Nick West 2012-07-01 The Sandspur Special is a heartwarming story about a pioneer family in the American West. The book tells the story of the family's journey to the new land and their adventures along the way.

Annie Oakley
Patricia Anne Nathe 1969 The story of Annie Oakley is one of the most well-known stories in American history. She was a legendary sharpshooter who was known for her accuracy and precision.

Pioneer Circuses Of The West
Ellen Baker Bell 2009 Nestled on 275 shaded acres beside beautiful Delavan Lake, Lake Lawn has been a favorite vacation destination since 1878. Much of the area's local history is rooted to this lovely lakeside retreat. It is one of the last remaining historic sites from the 1800s that still exist today. The area is a popular destination for tourists and families alike.
