Your 100 Day Prayer
Dr. John I Snyder 2011-09-12
"Let's put aside any false humility or pride," author John Snyder says, "and come before God with boldness, asking for the moon." He reminds us that the Bible says we are to ask and then ask again. Over and over. Day in. Day out. When the need is so great, so seemingly impossible that only God's direct intervention will ever bring it about, it takes a different kind of prayer. Your 100 Day Prayer is designed to take you straight to the heart and will of God by seeking him for a specific need. This book includes: A dedicated page to express your need before God on the day you start your 100 day of prayer, 100 entries to help you focus your prayer through the truth of God's Word and character, Leading prayers to give you a jump start, Writing space to capture your conversations with the Father and the
transformation you experience day by day, and a concluding page to memorialize how God answered your prayer and transformed you through the process. Your 100 Day Prayer will help you access the power of sustained petitioning prayer. You will find advice and encouragement for pleading one specific need. And you will discover that God does respond. twenty-first century people as well as a vision for congregational transformation and renewal. Anything can happen to those who follow Jesus. Life is adventurous, surprising, and interesting. Worship leads to mission and mission challenges narrow-mindedness and self-imposed limitations. For those who embrace the spirit of Acts of the Apostles, worship will never be boring and every day will be a holy adventure.” This book is not just an exposition of the book of Acts. It is a call to action. But it is more than that. It draws from the lessons of the early church a plan of individual and communal action to live an adventurous life of faith and to change the world. Each chapter includes activities to help you apply the content to your life and mission. Labeled “Transforming Acts” these point to the transforming acts you can take in your personal or congregational life.

Acts is a story of a small group of people who set out to do what appeared humanly impossible – change their world. In this book you are invited to become a part of that story, to attempt the humanly impossible, and to bring transformation and renewal to the church and to the entire world.

**Be Holy**
Brian Christopher Coulter 2014-12-30 What does it really mean to "be holy"? These two little words seem to echo throughout scripture. 1st Peter quotes Leviticus when we read God's command: "You shall be holy, for I am holy." Again in Ephesians when we read that God "chose us in Christ before the foundation of the world to be holy". And in the last chapter of the last book of the Bible we read that we are to "still be holy". Our calling to be holy is a challenging one, but living the "normal"
alternative often leads to frustration, disappointment, and empty overindulgence. This invitation to be holy challenges us to live our lives set apart; not because God needs us to, but because it is a better way for us to experience and live life. Brian Christopher Coulter shows us what it means to be holy in today's world and how living into this calling helps us discover and develop our sense of identity, belonging, and purpose. Prepare to be changed and begin living the life God meant for you.

The Healing Power Of Prayer Bridget Meeham 1996

The Prayer of Silence Bruce Fraser Macdonald, Ph.d. 2011-11 “The Prayer of Silence” has several aims: 1
teach basic relaxation and concentration methods based on bodily awareness; 2. to develop an awareness of the Divine Presence; 3. to overcome emotional and personality blocks to develop a sense of personal wholeness; 4. to develop an awareness of what the author, drawing on a near death experience in 1966, calls “the Watcher” aspect of consciousness that speeds the development of spiritual perception of inner “Love, Peace and Joy,” 5. to transform the ego from attachment to material and emotional limits to a spiritual Ego that is one with the “Atman” or “Spirit,” and to extend that spiritual awareness to the world and other people; 6. to be able to deal with the conflicts and potential arising from the memory of past lives; 7. to be able to find a “Spiritual Guide” in the inner person; 8. to be able to deal with the inevitable “dry periods” in spiritual practice; 9. to experience “Nirvana,” where all lower attachments are blown out; and 10. to achieve Divine Union, where the Ego and God are One, where “Atman experiences itself as one with Brahman,” where one can say with Jesus, “I and the Father are One.” There is also a very good chapter on “mantras,” so the student can learn about their nature and use, although the Prayer of Silence uses a different, more direct form of focus to achieve concentration and inner awareness. Dr. MacDonald has also remembered and worked with many of his own past lives, so he is a reliable guide to others who are going through that process. The author is a master teacher and the book presents its material in a steadily more complex form, laying the necessary foundations before proceeding to the higher levels of learning. There is a combination of theory and practical exercises so the learner can develop meditation. Downloaded from stats.ijm.org on September 6, 2022 by guest.

ONE TOUCH B. Hennie
2012-02-15 It wasn’t
until I began to write
this book that the Lord
would begin to reveal
everything to me. He was
pulling a “yes” from my
spirit, but I would have
to go through this
process for him to
develop me before he
could use me to help
someone else. I knew I
was being led by the
Holy Spirit, but my
flesh, my mind, had to
catch up with my spirit.
During the process where
you have surrendered
your will to his will,
the Lord has dug deep
down in you and taken
out of you all that is
not like him. Then he
can impart himself in
you. His Spirit is in
control; no longer the
works of your flesh. He
has empowered you to do
his will. Now you can
receive the blessings
the Lord has promised
you. I remember many
years ago when the Lord
spoke these words into
my spirit: “After you
have suffered awhile, I
will restore, strengthen
and keep you” (1 Peter
5:10). But what I didn’t
know that it would be
years later that I would
have to go through
sickness, pain, and
suffering. Through this
process, he was
preparing me for my
healing ministry.

This book is written with love as a tool for transformation one mind, one heart one soul at a time; it is suitable as a counseling tool, Clergy use, and for individual, family and group edification. It offers support through practical wisdom to transform the reader into an empowered being. It offers light for the overcoming of lack, fears, doubt, mediocrity, addictions, relationship and parenting issues, illness, work, self-sabotage and stagnation. It also offers support to those desiring to live their purpose in wholeness and elegance. The Author uses her experience of feeling pain when she mistakenly thought that she was injured. The Healing Power of Prayer
Bridget Mary Meehan 2017-05-02
This book offers you the opportunity to experience wholistic healing, and - a greater awareness of the variety of approaches that can be used in meditation to tap into the God within you and to access your spiritual energy for healing and transformation. - a clearer understanding of the value of imagination and prayer in the process of inner healing - a deeper appreciation of inner healing prayer as a powerful tool in dealing with the problems of anxiety, anger, rejection, stress, guilt and loneliness. - a greater realization of the effectiveness and richness of inner healing meditation as a means to nourish your oneness with all creation in the Heart of God. - an increased ability to rely on various approaches to prayer as effective sacred practices for health and vitality. If we are to appreciate the many different approaches to healing prayer, however, we must understand the historical and biblical framework of healing in the church. Part One offers a historical overview and explains Jesus' outlook on healing, the Christian Church's teachings about healing, and the relationship between healing and the presence of the Divine in times of suffering. It also presents a practical rationale for inner healing prayer and suggests ways to find spiritual transformation in everyday life. Part Two presents the

different healing prayer experiences: 1. Healing of Memories Prayer: inviting the Holy One into a painful memory to break through the past with the power of grace in the present. 2. Forgiveness Prayer: asking Jesus to accompany you on a journey to give and receive forgiveness and healing in a painful relationship(s). 3. Journal Prayer: using the intuitive powers of the mind to reveal the presence of the Infinite within you. 4. Centering Prayer: passing beyond thoughts, images, and feelings to rest in Divine Love. 5. Scripture Prayer: moving into the details and emotions of a biblical passage to listen to the Holy One speaking personally from within the text. 6. Fantasy Prayer (guided imagery prayer): using the imagination to set the stage for a prayerful encounter with an inclusive God who is beyond all names (Creator, Holy Wisdom/Sacred Mystery/Abba/Amma/Christ) and present in every faith tradition and beyond all religions. 7. Relaxation Prayer: releasing stressful situations/relationships to God/ your Higher Power and discovering the Holy One's abiding indwelling, tender presence everywhere. 8. Healing Affirmations for Daily Living: affirming messages from the Spirit within you. 9. Prayer for Healing Families, Races, Nations, Religions and Earth: expanding consciousness to fully know that all are one. 10. Prayer of the Sufferer: encountering Divine Compassion in the midst of pain, unanswered questions, and puzzling mysteries.

This book does not advocate a theoretical approach that merely teaches about inner healing prayer and meditation. Rather, it attempts to integrate a contemporary theological perspective with a creative experiential approach. This book is written with the conviction that
to pray by praying, not by reading or talking about prayer. It is also written from the conviction that healing prayer is an attainable life-changing power. As we experience the abundant love of Divine Presence dwelling within us and energizing us, we can rejoice in our identity as a beloved image of God. We can celebrate a new freedom that liberates us from bonds that limit our spiritual potential, learn to forgive and ask forgiveness with greater courage, become more aware of our own growing edges, and develop greater compassion for others. I hope you will reap rich rewards from this exploration into inner healing prayer and from your experience of the power of grace illuminating your path to the "peace that surpasses understanding." The contents of this message upon prayer should be read alike by preacher and teacher, evangelist and intercessor. Its pages contain an appeal to every "worker together with Christ," and stimulate the desire for prayer in the varied relationships of Christian life. The appeal deserves a wide circulation amongst members of Prayer Circles and Prayer Unions, and, indeed, amongst all who are looking for a revival of true religion in our land, and an exodus of ambassadors for Christ to heathen and Moslem populations. -- Albert A.
