A Nonjudgmental Guide To Interfaith Marriage

As recognized, adventure as competently as experience not quite lesson, amusement, as without difficulty as understanding can be gotten by just checking out a books A Nonjudgmental Guide To Interfaith Marriage afterward it is not directly done, you could receive even more all but this life, roughly the world.

We present you this proper as skillfully as simple pretentiousness to get those all. We offer A Nonjudgmental Guide To Interfaith Marriage and numerous book collections from fictions to scientific research in any way. in the midst of them is this A Nonjudgmental Guide To Interfaith Marriage that can be your partner.

Becoming Jewish
Rabbi Steven Carr Reuben
2019-03-01
Becoming Jewish is an engaging, accessible, all-inclusive step-by-step guide to converting to Judaism that introduces readers to finding life's meaning through the evolving religious civilization that is Judaism. Written with humor and heart, readers learn the ins and outs of becoming Jewish and discover the wonder that is the language, literature, history, rituals, food, music, and culture of contemporary Jewish life.

How to Marry Your Second Husband First
Steven Carr Reuben
2020-10-18
As the Senior Rabbi of a 1,000 family congregation in Los Angeles, California and as the Rebbetzin (rabbi's wife) and life partner for nearly 40 years Steven and Didi Carr Reuben have watched, met with and counseled hundreds of couples as they wrestled with the challenges, joys, successes, and failures of creating and nurturing their marriages. After decades of helping others they created this book as their unique recipe for creating a successful marriage and finding the right life partner. Filled with their particular brand of down-to-earth relationship advice and blending humor and experience both personal and professional, How To Marry Your Second Husband First is a practical "how to" guide for anyone looking for a road map to identify the qualities in themselves and a potential partner that will give them the best possible chance at finding love and creating a lasting, life-long spiritual partnership with the absolute right person.

Mixed-Up Love
Jon M. Sweeney
2013-10-15
Dating, commitment, kids, and family--it's all hard work, and when you come from different religious backgrounds it's even harder. Jon, a Catholic writer, and Michal, a Reconstructionist rabbi, live out the challenges of an interfaith relationship everyday as husband and wife, and as parents to their daughter Sima, who is being raised Jewish. In MIXED-UP LOVE, the couple explores how interfaith relationships impact dating, weddings, holidays, raising children, and family functions--and how to not just cope, but thrive. This is an engaging and practical resource for singles who are considering dating outside their own faith, couples in interfaith relationships, relatives and friends of "mixed" couples who seek information and understanding, and parents desiring a fresh perspective. With clarity, insight, and humor, Sweeney and Woll demonstrate how to engage with your partner, family, and faith like never before.

Six Ways of Being Religious
Dale S. Cannon
1996
This text gives students a framework for their comparative study of religion that includes full, in-depth descriptions of each "way of being religious."

Soul Searching
Christian Smith
2009-04-13
In innumerable discussions and activities dedicated to better understanding and helping teenagers, one aspect of teenage life is curiously overlooked. Very few such efforts pay serious attention to the role of religion and spirituality in
the lives of American adolescents. But many teenagers are very involved in religion. Surveys reveal that 35% attend religious services weekly and another 15% attend at least monthly. 60% say that religious faith is important in their lives. 40% report that they pray daily. 25% say that they have been "born again." Teenagers feel good about the congregations they belong to. Some say that faith provides them with guidance and resources for knowing how to live well. What is going on in the religious and spiritual lives of American teenagers? What do they actually believe? What religious practices do they engage in? Do they expect to remain loyal to the faith of their parents? Or are they abandoning traditional religious institutions in search of a new, more authentic "spirituality"?

This book attempts to answer these and related questions as definitively as possible. It reports the findings of The National Study of Youth and Religion, the largest and most detailed such study ever undertaken. The NYSR conducted a nationwide telephone survey of teens and significant caregivers, as well as nearly 300 in-depth face-to-face interviews with a sample of the population that was surveyed. The results show that religion and spirituality are indeed very significant in the lives of many American teenagers. Among many other discoveries, they find that teenagers are far more influenced by the religious beliefs and practices of their parents and caregivers than commonly thought. They refute the conventional wisdom that teens are "spiritual but not religious." And they confirm that greater religiosity is significantly associated with more positive adolescent life outcomes. This eagerly-awaited volume not only provides an unprecedented understanding of adolescent religion and spirituality but, because teenagers serve as bellwethers for possible future trends, it affords an important and distinctive window through which to observe and assess the current state and future direction of American religion as a whole.

In Faith and in Doubt Dale McGowan 2014-08-04 Describes how couples can work to save a relationship that might be suffering when a religious believer is with a nonreligious person, offering negotiation tips, strategies for dealing with extended families and advice for handling holidays and rites. Original.

Interfaith Families Jane Kaplan 2005-06 As the number of Jewish-Christian marriages in America continue to rise, couples find themselves searching for ways to reconcile love and religion. Even when each partner has no particular religious life, they are confronted with related conflicts. Should children be raised in one faith and not the other? Who decides which holidays to celebrate and how? How can couples deal with extended family members who may not understand or accept their interfaith marriage? Readers will find and array of reactions and approaches as the couples profiled in this book describe how they tackled these topics. Each personal narrative offers fresh insight into interfaith families by giving examples of the successes and failures, struggles and triumphs of everyday situations and major life decisions.

A Parent's Guilt-Free Guide to Raising Jewish Kids Rabbi Steven Carr Reuben 2002-11-18 This book reveals the three key rules for raising Jewishly ethical children, and the three holidays that can help you teach them the most important values of Judaism. Designed for Jews and non-Jews alike, it is a non-judgmental guide to being a partner in transmitting Jewish culture, tradition, and identity to your children in an authentic and accessible way. Throughout this book you will find suggestions for creating a warm, personal Jewish lifestyle that can add to the richness and quality of your child-rearing experiences. It is a practical guide to raising children with a positive Jewish self-image.

Cultural Competence: A Primer for Educators Jean Moule 2011-01-01 CULTURAL COMPETENCE: A PRIMER FOR EDUCATORS, 2nd Edition, covers the basics of multicultural education, making it easy for instructors to assign as a main text or use in conjunction with other books. The author gives special attention to the psycho-social dimensions of teaching culturally diverse populations. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

A Year with Mordecai Kaplan Steven Carr Reuben 2019-04 You are invited to spend a year with the inspirational words, ideas, and counsel of the great twentieth-century thinker Rabbi Mordecai Kaplan, through his meditations on the fifty-four weekly Torah portions and eleven
Jewish holidays. A pioneer of ideas and action—teaching that “Judaism is a civilization” encompassing Jewish culture, art, and peoplehood; demonstrating how synagogues can be full centers for Jewish living (building one of the first “shuls with a pool”); and creating the first-ever bat mitzvah ceremony (for his daughter Judith)—Kaplan transformed the landscape of American Jewry. Yet much of Kaplan’s rich treasury of ethical and spiritual thought is largely unknown. Rabbi Steven Carr Reuben, who studied closely with Kaplan, offers unique insight into Kaplan’s teachings about ethical relationships and spiritual fulfillment, including how to embrace godliness in everyday experience, our mandate to become agents of justice in the world, and the human ability to evolve personally and collectively. Quoting from the week’s Torah portion, Reuben presents Torah commentary, a related quotation from Kaplan, a reflective commentary integrating Kaplan’s understanding of the Torah text, and an intimate story about his family or community’s struggles and triumphs—guiding twenty-first-century spiritual seekers of all backgrounds on how to live reflectively and purposefully every day.

Remix Judaism Roberta Rosenthal Kwall 2020-02-25 Remix Judaism: Preserving Tradition in a Diverse World offers an eloquent and thoughtful new vision for all Jews seeking a sense of belonging in a changing world, regardless of their current level of observance. Kwall sets out a process of selection, rejection, and modification of rituals that allow for a focus on Jewish tradition rather than on the technicalities of Jewish law. Her goal is not to sell her own religious practices to readers but, rather, to encourage them to find their own personal meaning in Judaism outside the dictates of Commandment by broadening their understanding of how law, culture and tradition fit together. In Remix Judaism, Kwall inspires her audience to be intentional and mindful about the space they allocate for these elements in defining their individual Jewish journeys and identities.

Speaking of Faith Krista Tippett 2008-01-29 A thought-provoking, original appraisal of the meaning of religion by the host of public radio’s On Being Krista Tippett, widely becoming known as the Bill Moyers of radio, is one of the country's most intelligent and insightful commentators on religion, ethics, and the human spirit. With this book, she draws on her own life story and her intimate conversations with both ordinary and famous figures, including Elie Wiesel, Karen Armstrong, and Thich Nhat Hanh, to explore complex subjects like science, love, virtue, and violence within the context of spirituality and everyday life. Her way of speaking about the mysteries of life-and of listening with care to those who endeavor to understand those mysteries—is nothing short of revolutionary.

Goatwalking: A Quaker Pastoral Theology Zachary Moon 2021-05-25 Inspired by Jim Corbett’s free-range pastoralism of ‘goatwalking,’ this work gleans a pastoral theology from the wealth of practical wisdom within the Quaker tradition, giving particular attention to Corbett’s foci of alertness, adaptability, symbiotic relationships, and co-creativity.

Day of Honey Annia Ciezadlo 2012-02-14 The author discusses her marriage to a man from Beirut, the bond she forged with her Lebanese in-laws, and how she found love, good food, and a meaningful life, despite dividing her time between wartorn Iraq and Lebanon.

Interfaith Marriage Dilip Amin 2017-05 "The book provides information to consider before interfaith marriage. It is based on testimonials from hundreds of people who have married a person practicing another religion."--

The Creative Jewish Wedding Book Gabrielle Kaplan-Mayer 2009 Explains the history behind the rituals and customs of a Jewish wedding, details the ceremony and wedding service, and includes coverage of such topics as invitations, pre-wedding rituals, and creative wedding canopies.

Caravan of No Despair Mirabai Starr 2015-11-01 On the day her first book came out—a new translation of Dark Night of the Soul by Saint John of the Cross—Mirabai Starr’s daughter, Jenny, was killed in a car accident. “My spiritual life began the day my daughter died,” writes Mirabai. Even with decades of spiritual practice and a deep immersion in the greatest mystical texts, she found herself utterly unprepared for "my most powerful catalyst for transformation,
my fiercest and most compassionate teacher.” With Caravan of No Despair, Mirabai shares an irreverent, uplifting, and intimate memoir of her extraordinary life journey. Through the many twists and turns of her life—including a tangled relationship with a charlatan-guru, her unexpected connection with the great Christian mystics, and the loss of her daughter—Mirabai finds the courage to remain open and defenseless before the mystery of the divine. “Tragedy and trauma are not guarantees for a transformational spiritual experience,” writes Mirabai Starr, “but they are opportunities. They are invitations to sit in the fire and allow it to transfigure us.”

I Do! Jim Walkup 2019-04-16 Strengthen Your Bond, Strengthen Your Marriage Planning a meaningful wedding is important. Planning for a happy and satisfying marriage is critical. Through in-depth, thought-provoking exercises, I Do! A Marriage Workbook for Engaged Couples helps prospective partners grow their love and solidify their partnership as they prepare to walk down the aisle together. TOOLS TO TAKE IT TO THE NEXT LEVEL--Use this marriage workbook’s exercises as springboards for a deeper exploration into your relationship. Deepen your connection and prepare for your marriage with I Do! A Marriage Workbook for Engaged Couples.

Read This to Get Smarter Blair Imani 2021-10 "We live in a time where it has never been more important to be knowledgeable about a host of social issues, and to be confident and appropriate in how to talk about them. What’s the best way to ask someone what their pronouns are? How do you talk about racism with someone who doesn't seem to get it? What is intersectionality, and why do you need to understand it? While it can seem intimidating or overwhelming to learn and talk about such issues, it’s never been easier thanks to [the author]. Accessible to learners of all levels--from those just getting started on the journey to those already versed in social justice--[this book] covers a range of topics, including race, gender, class, disability, relationships, family, power dynamics, oppression, and beyond. This essential guide is a radical but warm and non-judgmental call to arms, structured in such a way that you can read it cover to cover or start with any topic you want to learn more about." -- Provided by publisher.

Insider's Guide to Book Editors, Publishers and Literary Agents, 1995-1996 Jeff Herman 1994-10-10 No other book gives aspiring authors the inside scoop on the names and interest areas of acquisition editors. This vital information makes all the difference when submitting a book proposal. Fully revised to keep on top of the rapidly changing publishing world, this guide includes information on the book acquisition process, literary agents, submission, ghost writing, and more.

'Til Faith Do Us Part Naomi Schaefer Riley 2013-04-11 Naomi Schaefer Riley offers a compelling look at the struggles of interfaith marriages in the United States.

The Interfaith Family Journal Susan Katz Miller 2019-03-15 The Interfaith Family Journal is an invaluable resource for couples and family members practicing different religions (or none). Interactive exercises and creative activities help interfaith families decide how they want to honor their histories, cultures, and beliefs in ways that nurture joy, creativity, and empowerment. With space for writing directly in the book and suggestions for engaging in deep conversation, the book becomes a keepsake of the journey toward each interfaith family's unique practice and identity.

The F Word: A Fiancee Shares Her Story, From "I Will" To "I Do" Kelly Bare 2012-04-24 "Cancel your subscription to that bridal magazine! The F Word is the perfect marriage of personal insight and original advice you'll actually use." --Hilary Black, Editor in Chief,
Tango Magazine "With humor and warmth, Kelly Bare's book helps couples bypass the pressures of planning a wedding without sacrificing the romance. --Susan Piver, Author, The Hard Questions: 100 Essential Questions to Ask Before You Say "I Do." He Asked! You Said Yes! So...Now What? The moment you get engaged is one you'll never forget, as you begin your journey on an obstacle-free path to decades of wedded bliss. Right? Not necessarily. That one little question can spawn a one of big questions. Kelly Bare has been there. In The F Word, she shares first-hand experiences of navigating the premarital minefield, providing reassuring and helpful information that will help you worry less about what a bride is supposed to be, and more about who you really are: How fighting can be good for you Why everyone in your family--and his--is acting like a lunatic Why etiquette truly is important When--and how--to arrange a "meet the parents" get-together Alternatives to cringe-worthy bachelorette parties The real scoop on how to register for gifts How to let go of perfection and plan a wedding that's really "you" Why marriage education classes could be the best investment you ever make Whether you're recently engaged, planning your wedding or preparing to take your relationship to a new level, The F Word will help you get from "I Will" to "I Do" with your relationship--and your sanity--intact. "A poignant, candid memoir. Brides-to-be will find a true friend here with Kelly Bare." --Rachel Greenwald, author of the New York Times Bestseller Find a Husband After 35 Using What I Learned at Harvard Business School." Kelly Bare is a writer and editor in New York City.

Introducing Language and Intercultural Communication Jane Jackson 2014-01-10

Introducing Language and Intercultural Communication is a lively and accessible introduction for undergraduates who are new to the area of intercultural communication. Incorporating real-life examples from around the world and drawing on current research, this text argues against cultural stereotyping and instead provides students with a skill-building framework to enhance understanding of the complexities of language and intercultural communication in diverse international settings. Readers will learn to understand and become aware of power relations, positioning and the impact of social and political forces on language choice and the intercultural communication process. This is the essential text for undergraduate students studying courses in intercultural communication for the first time. Features include: clear learning objectives to structure your study end of chapter discussion questions to test your knowledge highlighted glossary terms to provide a strong understanding of the relevant vocabulary an array of photos including signs which make use of non-verbal codes and many examples that illustrate such issues as intercultural misunderstandings and the effects of culture shock substantial online resources for students including learning objectives, suggested readings, links to media resources and real-world intercultural scenarios and activities. Additional in-depth instructor resources feature test materials, powerpoints, key terms, extended chapter outlines and sample assignments and syllabi.

Mental Health American Psychiatric Association Foundation 2016-04-26

The American Psychiatric Association Foundation has produced two new resources to help faith leaders better understand mental illness and treatment, and better help individuals and families in their congregations facing mental health challenges, Mental Health: A Guide for Faith Leaders and a companion two-page Quick Reference on Mental Health for Faith Leaders. These resources are the culmination of work from the Mental Health and Faith Community Partnership, a collaboration of psychiatrists and faith leaders representing diverse faith traditions. Many people facing a mental health challenge, personally or with a family member, turn first to a faith leader. And for many receiving psychiatric care, religion and spirituality are an important part of healing. In their role as "first responders," faith leaders can help dispel misunderstandings, reduce stigma associated with mental illness and treatment, and help access to treatment for those in need. The Guide and Quick Reference provide faith leaders with the knowledge, tools and resources to support that role. The Guide includes a general overview of mental health and mental illness and information on how faith leaders can...
support people with mental health challenges. For example, it discusses how to create a more inclusive and welcoming community, when and how to make a referral to professional mental health services, and ways to deal with resistance to accepting mental health treatment. The one page Quick Reference Guide is included. *Religion, Welfare and Social Service Provision* Robert Wineburg 2019-04-16 *Religion, Welfare, and Social Service Provision: Common Ground* delves deeply into the partnerships forged between religious communities, government agencies and nonprofits to deliver social services to the needy. These pages offer a considered examination of how local faith entities have served those in their midst, and how the provision of those services has been impacted by evolving social policies. This foundational volume brings together the work of more than two dozen leading researchers, each providing long overdue scholarly inquiry into religiously affiliated helping and the many possibilities that it holds for effective cooperation. **Jewish Ritual** Kerry M. Olitzky 2005 Two rabbis explore the historical meaning and contemporary use of ten Jewish rituals, including observing the Sabbath, keeping kosher, studying torah, prayers, and blessings. Original. **Wisdom for Living** Reynold Ruslan Feldman 2019-07-26 We live in uncertain, even dangerous times. If we were ships, we’d be traveling in rough waters and dense fog. Without a navigation system, we’d soon be sunk - literally. We need to know where and how to navigate to keep ourselves safe as we pursue our individual life journeys. Wisdom for Living is an invaluable resource and guide for strengthening, developing, and accessing your own inherent wisdom nature. Each of us comes hard-wired with the equipment needed to navigate the rough waters of life. This equipment is our intuition or gut feelings, available to all. Yet like the GPS in a car or phone, we need to learn to access, use, and trust it. These short essays suggest how you can find wisdom in a variety of people, places, and things. You are encouraged to keep a wisdom journal (WJ) in which you respond to a motivating question at the end of each essay. In this way, you will create a personal handbook for guiding your life while using your inner guidance to deal with challenges. *Altar Call* Donna Schaper 2001 This volume examines commitment in the context of the individual and institutional response to God’s call to be God’s people. “The call from God is a call to the altar, to the holy, in a simple do-able way,” explains the author. “Right now we are a little like an aborted African chant in the mainline church; there is a call, but no response.” Donna Schaper outlines various reasons for this disconnect between call and response, and she offers ten concrete ways of responding to the gospel through specific actions that will help persons reconnect with their commitment to be the people of God. **Modern Jewish Baker: Challah, Babka, Bagels & More** Shannon Sarna 2017-09-05 Step-by-step instructions for the seven core doughs of Jewish baking. Jewish baked goods have brought families together around the table for centuries. In Modern Jewish Baker, Sarna pays homage to those traditions while reinvigorating them with modern flavors and new ideas. One kosher dough at a time, she offers the basics for challah, babka, bagels, hamantaschen, rugelach, pita, and matzah. Never one to shy away from innovation, Sarna sends her readers off on a bake-your-own adventure with twists on these classics. Recipes include: Chocolate Chip Hamantaschen Tomato-Basil Challah Everything-Bagel Rugelach S’mores Babka Detailed instructions, as well as notes on make-ahead strategies, ideas for using leftovers, and other practical tips will have even novice bakers braiding beautiful shiny loaves that will make any bubbe proud. **The Prophet** Kahlil Gibran 2009-01-01 A prophet has is about to board a ship home after 12 years in exile, when he is stopped by a group of people. His teachings to them, discussing love, marriage, crime, freedom and law among many other aspects of everyday life, form the 26 poetic essays of Gibran’s work. The work has been a bestseller since its first publication. **Families and Faith** Vern L. Bengtson 2013-10-04 Winner of the Distinguished Book Award from American Sociology Association Sociology of Religion Section Winner of the Richard Kalish Best Publication Award from the Gerontological Society of America Few things are more likely to cause heartache to devout parents than seeing
their child leave the faith. And it seems, from media portrayals, that this is happening more and more frequently. But is religious change between generations common? How does religion get passed down from one generation to the next? How do some families succeed in passing on their faith while others do not?

Families and Faith: How Religion is Passed Down across Generations seeks to answer these questions and many more. For almost four decades, Vern Bengtson and his colleagues have been conducting the largest-ever study of religion and family across generations. Through war and social upheaval, depression and technological revolution, they have followed more than 350 families composed of more than 3,500 individuals whose lives span more than a century—the oldest was born in 1881, the youngest in 1988—to find out how religion is, or is not, passed down from one generation to the next. What they found may come as a surprise: despite enormous changes in American society, a child is actually more likely to remain within the fold than leave it, and even the nonreligious are more likely to follow their parents' example than to rebel. And while outside forces do play a role, the crucial factor in whether a child keeps the faith is the presence of a strong fatherly bond. Mixing unprecedented data with gripping interviews and sharp analysis, Families and Faith offers a fascinating exploration of what allows a family to pass on its most deeply-held tradition—its faith.

A Nonjudgmental Guide to Interfaith Marriage

Rabbi Steven Reuben 2002-04-25

Every day Americans of different faiths fall in love, decide to marry, and are suddenly faced with a bewildering array of pressures, choices and conflicts. Rabbi Steven Carr Reuben offers down-to-earth advice to help couples of all faiths find their own solutions to sensitive issues, from talking about religious differences to deciding how to raise the children. Drawing upon 25 years of counseling experience, he shares the real life stories of couples who have met the challenges of interfaith relationships. This unique, nonjudgmental guide will help you learn how to discuss religion, talk to parents, choose a ceremony that's right for you, celebrate differences, create your own unique religious lifestyle, celebrate life as a "team marriage," and discover the joy of creating a life filled with mutual fulfillment, understanding and love.

The Social Impact of AIDS in the United States

National Research Council 1993-02-01

Europe's "Black Death" contributed to the rise of nation states, mercantile economies, and even the Reformation. Will the AIDS epidemic have similar dramatic effects on the social and political landscape of the twenty-first century? This readable volume looks at the impact of AIDS since its emergence and suggests its effects in the next decade, when a million or more Americans will likely die of the disease. The Social Impact of AIDS in the United States addresses some of the most sensitive and controversial issues in the public debate over AIDS. This landmark book explores how AIDS has affected fundamental policies and practices in our major institutions, examining How America's major religious organizations have dealt with sometimes conflicting values: the imperative of care for the sick versus traditional views of homosexuality and drug use. Hotly debated public health measures, such as HIV antibody testing and screening, tracing of sexual contacts, and quarantine. The potential risk of HIV infection to and from health care workers. How AIDS activists have brought about major change in the way new drugs are brought to the marketplace. The impact of AIDS on community-based organizations, from volunteers caring for individuals to the highly political ACT-UP organization. Coping with HIV infection in prisons. Two case studies shed light on HIV and the family relationship. One reports on some efforts to gain legal recognition for nonmarital relationships, and the other examines foster care programs for newborns with the HIV virus. A case study of New York City details how selected institutions interact to give what may be a picture of AIDS in the future. This clear and comprehensive presentation will be of interest to anyone concerned about AIDS and its impact on the country: health professionals, sociologists, psychologists, advocates for at-risk populations, and interested individuals.

Being Both

Susan Katz Miller 2013-10-22

A book on the growing number of interfaith families raising children in two religions Susan Katz Miller grew up with a Jewish father and...
Christian mother, and was raised Jewish. Now in an interfaith marriage herself, she is one of the growing number of Americans who are boldly electing to raise children with both faiths, rather than in one religion or the other (or without religion). In Being Both, Miller draws on original surveys and interviews with parents, students, teachers, and clergy, as well as on her own journey, to chronicle this controversial grassroots movement. Almost a third of all married Americans have a spouse from another religion, and there are now more children in Christian-Jewish interfaith families than in families with two Jewish parents. Across the country, many of these families are challenging the traditional idea that they must choose one religion. In some cities, more interfaith couples are raising children with “both” than Jewish-only. What does this mean for these families, for these children, and for religious institutions? Miller argues that there are distinct benefits for families who reject the false choice of “either/or” and instead embrace the synergy of being both. Reporting on hundreds of parents and children who celebrate two religions, she documents why couples make this choice, and how children appreciate dual-faith education. But often families who choose both have trouble finding supportive clergy and community. To that end, Miller includes advice and resources for interfaith families planning baby-welcoming and coming-of-age ceremonies, and seeking to find or form interfaith education programs. She also addresses the difficulties that interfaith families can encounter, wrestling with spiritual questions (“Will our children believe in God?”) and challenges (“How do we talk about Jesus?”). And finally, looking beyond Judaism and Christianity, Being Both provides the first glimpse of the next interfaith wave: intermarried Muslim, Hindu and Buddhist couples raising children in two religions. Being Both is at once a rousing declaration of the benefits of celebrating two religions, and a blueprint for interfaith families who are seeking guidance and community support.

**Making Interfaith Marriage Work** Steven Carr Reuben 1994 Covers the interfaith wedding, the interfaith marriage, and the issue of children

**Getting Through the Day** Nancy J. Napier 1994 Examines dissociative coping strategies resulting from childhood abuse, shows how these strategies can have negative consequences in adulthood, and provides new strategies for healing the past

**Clinical Casebook of Couple Therapy** Alan S. Gurman 2012-11-26 An ideal supplemental text, this instructive casebook presents in-depth illustrations of treatment based on the most important couple therapy models. An array of leading clinicians offer a window onto how they work with clients grappling with mild and more serious clinical concerns, including conflicts surrounding intimacy, sex, power, and communication; parenting issues; and mental illness. Featuring couples of varying ages, cultural backgrounds, and sexual orientations, the cases shed light on both what works and what doesn't work when treating intimate partners. Each candid case presentation includes engaging comments and discussion questions from the editor. See also Clinical Handbook of Couple Therapy, Fourth Edition, also edited by Alan S. Gurman, which provides an authoritative overview of theory and practice.

**The Joy of the Gospel** Pope Francis 2014-10-07 The perfect gift! A specially priced, beautifully designed hardcover edition of The Joy of the Gospel with a foreword by Robert Barron and an afterword by James Martin, SJ. “The joy of the gospel fills the hearts and lives of all who encounter Jesus... In this Exhortation I wish to encourage the Christian faithful to embark upon a new chapter of evangelization marked by this joy, while pointing out new paths for the Church’s journey in years to come.” – Pope Francis This special edition of Pope Francis’s popular message of hope explores themes that are important for believers in the 21st century. Examining the many obstacles to faith and what can be done to overcome those hurdles, he emphasizes the importance of service to God and all his creation. Advocating for “the homeless, the addicted, refugees, indigenous peoples, the elderly who are increasingly isolated and abandoned,“ the Holy Father shows us how to respond to poverty and current economic challenges that affect us locally and globally. Ultimately, Pope Francis demonstrates how to develop a more personal relationship with Jesus Christ, “to recognize the traces of God’s Spirit in events great and small.” Profound in its insight,
yet warm and accessible in its tone, The Joy of the Gospel is a call to action to live a life motivated by divine love and, in turn, to experience heaven on earth. Includes a foreword by Robert Barron, author of Catholicism: A Journey to the Heart of the Faith and James Martin, SJ, author of Jesus: A Pilgrimage

Making a Successful Jewish Interfaith Marriage Kerry M. Olitzky 2003 An interfaith couple will have to confront tough questions, yet sometimes family, friends, clergy or counselors are unable or unwilling to help. From a Jewish perspective, this book offers support and guidance for all stages of an interfaith relationship.
