**Alone in Plain Sight** Ben Higgins 2021-02-02 Are you tired of people knowing who you are but no one really knowing you? As the star of the twentieth season of The Bachelor, Ben Higgins looked like he had it all together. Instead, Ben felt dissatisfied, fearful, and deeply alone. Like so many of us, he thought of himself as the kid who never got picked for the game, the person always on the outside of the joke, the friend who knew a lot of people but was never truly known. He wondered if he mattered at all. In Alone in Plain Sight, he vulnerably shares how he found an authentic connection with himself, with others, and with God. As Ben helps us name our own yearning for meaning, he explores ways to understand ourselves more deeply so that we are free to connect with others; how shared pain can bridge even the widest gaps between two very different people; why we must deconstruct our culture’s fairy-tale view of love; and how the God who longs for relationship with us is the answer to our need for connection. As Ben discovered, in a disconnected world, it is still possible to have lasting purpose and peace. You are already known. You are already loved. You are already brave. Discover how to live out how much you matter as you embrace the true meaning of your one incredible life.

The real question is: How can I get my wife back? I don't even know where she is. She's not with Teri Polgar or any of her other friends from the salon. Mr. Monk and the New Lieutenant Hy Conrad 2015-01-06 An all-new story starring Adrian Monk by Edgar® Award–nominated Monk screenwriter and coexecutive producer Hy Conrad. It's compulsive, page-turning fun. Monk and Natalie have finally settled into a new office routine. Now they just need to work things out with their neighbors—a print shop run by hippies whose music leaks through the walls, driving Monk nuts. But the detectives soon have a more serious conflict to deal with: Captain Stottlemeyer's new lieutenant, A.J. Cartledge—a man of limited skills whom Monk finds insufferable. Even the presence of Lieutenant Cartledge won't keep Monk and Natalie from attending the funeral of Judge Oberlin, and it's a good thing. In typical fashion, Monk examines the body in the casket—and finds evidence of poison. The judge was murdered. While there are no traces of the poison at the judge's house, Monk detects that there had been an intruder. The next rainy day, when Captain Stottlemeyer begins to show the same symptoms, Monk deduces that there's a diabolical killer at work, someone who wanted both the judge and the captain dead. Monk and Natalie turn to the captain's ex-lieutenant in Summit, New Jersey for help, but even that might not be enough to solve this crime. With his friend in danger and an enemy close, Monk will have to put his reservations aside to crack the case in time.
