The Domesticity and Consumer Culture in Iran

Mr. Hamid R Davoodi 2003-09-05 The Middle East and North Africa (MENA) is an economically developing region, with two and more prolonged approaches and countries, and having considerable potential to avoid conflicts and realize existing economic opportunities. The editors have ensured that material from a wide range of scholarly traditions and approaches has been consulted in order to make this comprehensive bibliography an indispensable tool for researchers, librarians, and educators.
Migrant Domestic Workers in the Middle East B. Fernandez 2014-12-04 For over half a century, migrant domestic workers have been both lead actors and victims of the global migration process from Asia and Africa. This book illuminates the multidimensionality of these workers' lives as they engage in finding a balance between acting and being acted upon, struggle and accommodation, and movement and stasis.

Oil and Development in the Middle East David G. Edens 1979 The Press in the Arab Middle East Ali Ayyubi 1995-03-23 Middle Eastern newspapers demonstrate remarkable resilience and creativity in the face of political and economic challenges. This book explores the role of newspapers in shaping public opinion, fostering national identity, and providing a platform for political and social debate.

Society, Law, and Culture in the Middle East: Modernities in the Making Galia Golan 1992 This study analyzes the impact that the Arab-Israeli conflict, the Palestinian issue, and the collapse of the USSR had on Middle Eastern society. It offers an in-depth exploration of the relationship between culture, law, and society, and how these factors interact to shape the modern Middle East.

Trade and Investment in the Middle East B. Karel and B. White 2014-05-14 The Middle East has been a major migration corridor for domestic workers. The book examines the socio-cultural aspects of this phenomenon, drawing on a wealth of sources, including interviews with migrant domestic workers, host-country employers, and policymakers. It offers an in-depth analysis of the factors that drive migration and the social, economic, and political implications of the migration of domestic workers.

Migrant Domestic Workers in the Middle East B. This book illuminates the multidimensionality of these workers' lives as they engage in finding a balance between acting and being acted upon, struggle and accommodation, and movement and stasis.

Saudi Arabia in the New Middle East F. Gregory Gause 2014-05-14 The United States’ relationship with Saudi Arabia has been one of the cornerstones of U.S. policy in the Middle East for decades. Despite their substantial differences in history, culture, and governance, the two countries have generally agreed on important political and economic issues and have often relied on each other to achieve their political goals. The relationship is perhaps best described as a partnership; their ongoing cooperation on maintaining regional stability, moderating the global oil market, and pursuing counterterrorism efforts have been critical to both nations' interests.

The United States and the Middle East: A Century of Engagement and Misunderstanding Michael Joseph Cohen 1997 Describes the United States' engagement with the Middle East and its impact on the region. The book examines the political, economic, and cultural factors that have shaped the relationship and highlights key events, such as the outbreak of the Iraq war, the September 11 terrorist attacks, and the 2005 Lebanon war, that have had a profound impact on the relationship.
