Mormon Folklore 1978 Joseph Knight, Unseen Hero Jacqueline W. Solomon 1997 Joseph Knight, son of Newel Knight and Lydia Goldthwait, was born in Nauvoo, Illinois, on 18 Oct 1840. He married Jane Lucinda Judd, daughter of Hyrum Judd and Lisania Fuller, in Santa Clara, Washington County, Utah. The marriage date was not recorded. They had nine children. Their descendants have lived in Utah, Arizona, California and other areas in the United States.

Biennial Report Utah: Engineer's Office 1911 Books, Bluster, and Bounty Susan H. Swetsam 2012-04-30 "Susan Swetsam uses case studies of western applications for Carnegie libraries to examine how local support was mustered for cultural institutions in the late nineteenth and early twentieth century interior West. This is a comparative study involving the entire region between the Rockies and the Cascades/Sierras, including all of Idaho, Utah, Nevada, and Arizona; western Montana, Wyoming, and Colorado; eastern Oregon and Washington; and small parts of California and New Mexico. The study addresses not just the how of the process of establishing Carnegie libraries but, more importantly, the variable why. Although virtually all citizens and communities in the West who sought Carnegie libraries were after tangible benefits that were only tangentially related to books, what they specifically wanted varied in correlation with the diversity of the community of the West: “Library proponents in Island Empires boom towns, for example, touted Carnegie libraries to their fellow citizens as instruments of economic advantage over rival communities; citizens in rural LDS communities promoted Carnegie libraries as a force against the encroaching secular influences they feared threatened their children; a small cadre of Carnegie library proponents, in several of Utah’s largest cities, in stark contrast, actually promoted the projects to their fellow Gentiles as a corrective to LDS insularity. Economically stable Idaho communities sought Carnegie libraries to reinforce their self-perceived cultural superiority; communities in newly American Arizona sought them to counter perceptions of their Hispanic mud villages.” And so on.”

Utah Best Books on 1941 Joseph Holbrook: Mormon Pioneer and the Next Generation Volume 1 Pamela Call Johnson 2014-03-04 Read about the settlement of Utah through the words of Mormon Pioneer, Joseph Holbrook, as written in his journal. Also included are stories and commentary on The Next Generation who went into Star Valley, Wyoming, to settle when outlaws infested that region. Among the most interesting of those was Butch Cassidy. Fresh insights into Cassidy's life and why he became an outlaw are revealed side by side with the life sketches of Anson Vasco Call II, the first mayor of Afton, Wyoming, and other stories of the settlement of the area. Showcased here is the LDS tabernacle in Bountiful, Utah, (top) that Joseph Holbrook helped build and the LDS tabernacle in Star Valley, Wyoming, (bottom) that his grandson, Anson Vasco Call II, helped erect. Joseph Holbrook's legacy is far reaching and extensive and includes the accomplishments of his many descendants.

American Polygamist Craig L. Foster 2015-06-01 Today's Fundamentalist Mormons in the American West resist assimilation like their forefathers. Centered on faith, they survive despite efforts to permanently end their cherished plural family arrangements. While some Fundamentalists like Warren Jeffs go rogue and corrupt their beliefs in heinous crimes, most hold steadfastly to a religion they say is biblical and restored by the first Latter-day Saint prophet, Joseph Smith, in the early 1800s. Mormon historians Craig Foster and Marianne Watson present more than two hundred photos and exclusive insights to explain how an estimated thirty thousand Fundamentalist Mormons still venerate a much-debated legacy—despite its difficult challenges—and persist in living plural marriage.
