Reclamation Era 1966
When Hollywood Came to Utah James D'Arc 2019-12-24 A profusely illustrated history of moviemaking in Utah, from the early twentieth century to the present. For more than 100 years, the magnificent scenery and locales of Utah have played host to hundreds of Hollywood films and TV episodes, including memorable films such as The Searchers, 2001: A Space Odyssey, Planet of the Apes, Easy Rider, Butch Cassidy and the Sundance Kid, Indiana Jones and the Last Crusade, Thelma & Louise, and Forrest Gump. This book gives readers the inside scoop on how these films were made, what happened on and off set, and more. Author and film historian James V. D'Arc provides a wealth of trivial factoids for movie buffs, including anecdotes about the interactions of Utah locals with actors and crew. New and updated text and photos have been added to the previous edition (When Hollywood Came to Town) to bring this edition up to date with movies and TV shows filmed in Utah since 2010. James V.

D'Arc was curator of the BYU Motion Picture Archive at the Harold B. Lee Library, Brigham Young University, for 41 years. He lives in Orem, Utah. Mormon Americana David J. Whittaker 1995

Mormons, Musical Theater, and Belonging in America Jake Johnson 2019-06-30 The Church of Jesus Christ of Latter-day Saints adopted the vocal and theatrical traditions of American musical theater as important theological tenets. As Church membership grew, leaders saw how the genre could help define the faith and wove musical theater into many aspects of Mormon life. Jake Johnson merges the study of belonging in America with scholarship on voice and popular music to explore the surprising yet profound link between two quintessentially American institutions. Throughout the twentieth and twenty-first centuries, Mormons gravitated toward musicals as a common platform for transmitting political and theological ideas. Johnson sees Mormons using musical theater as a medium for theology of voice—a religious practice that suggests how vicariously voicing another person can bring one closer to godliness. This sounding, Johnson suggests, created new opportunities
for living. Voice and the musical theater tradition provided a site for Mormons to negotiate their way into middle-class respectability. At the same time, musical theater became a unique expressive tool of Mormon culture.

**Minor White** Paul Martineau 2014-07-08 Controversial, misunderstood, and sometimes overlooked, Minor White (1908–1976) is one of the great photographers of the twentieth century, whose ideas exerted a powerful influence on a generation of photographers and still resonate today. His photographic career began in 1938 in Portland, Oregon, with assignments for the WPA (Works Progress Administration). After serving in World War II and studying art history at Columbia University, White’s focus shifted toward the metaphorical. He began creating images charged with symbolism and a critical aspect called equivalency, referring to the invisible spiritual energy present in a photograph made visible to the viewer. This book brings together White’s key biographical information—his evolution as a photographer, teacher of photography, and editor of Aperture, as well as particularly insightful quotations from his journals, which he kept for more than forty years. The result is an engaging narrative that weaves through the main threads of White’s life, his growth as an artist, as well as his spiritual search and ongoing struggle with his own sexuality and self-doubt. He sought comfort in a variety of religious practices that influenced his continually metamorphosing artistic philosophy. Complemented with a rich selection of more than 160 images including some never published before, the book accompanies the first major exhibition of White’s work since 1989, on view at the J. Paul Getty Museum from July 8 to October 19, 2014.

**When Hollywood Came to Town** James D’Arc 2010-09-01 For nearly a hundred years, the state of Utah has played host to scores of Hollywood films, from potboilers on lean budgets to some of the most memorable films ever made, including The Searchers, Butch Cassidy and the Sundance Kid, Footloose, and Thelma & Louise. This book gives readers the inside scoop, telling how these films were made, what happened on and off set, and more. As one Utah rancher memorably said to Hollywood moviemakers “don't take anything but pictures and don't leave anything but money.”

**Billboard** 1957-06-24 In its 114th year, Billboard remains the world’s premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Simultaneous.

Pictures Past A. J. Simmonds 1988

Doris Humphrey Naomi Mindlin 1998 The Arthurian legend closes with a promise: On a distant day, when his country calls, the king will return. His lost realm will be regained, and his shattered dream of an ideal world will, at last, be realized. This collection of original essays explores the issue of return in the modern Arthurian legend. With an Introduction by noted scholar Raymond H. Thompson and 13 essays by authors from the fields of literature, art history, film history, and folklore, this collection reveals the flexibility of the legend. Just as the modern legend takes the form current to its generation, the myth of return generates a new legend with each telling. As these authors show, return can come in the form of a noble king or a Caribbean immigrant, with the mystery of an art theft or a dying boy's dream.

Backpacker 1995-12 Backpacker brings the outdoors straight to the reader's doorstep, inspiring and enabling them to go more places and enjoy nature more often. The authority on active adventure, Backpacker is the world's first GPS-enabled magazine, and the only magazine whose editors personally test the hiking trails, camping gear, and survival tips they publish. Backpacker's Editors' Choice Awards, an industry honor recognizing design, feature and product innovation, has become the gold standard against which all other outdoor-industry awards are measured.

Book Talk 1994

Sacred Images Leslie G. Kelen 1996 Sixty color and 15 bandw photographs utilize natural light and show Utah's prehistoric rock art images in the context of the surrounding canyons. The photos are presented with brief captions, and with the words of Ute, Paiute, Hopi, and Northwest Shoshone individuals who describe the what the art means to them personally. An introductory essay discusses the various artistic styles of native peoples of this region over a period of 8,000 years. N. Scott Momaday supplied the foreword. A lovely book. No index or references. 10x11" Annotation copyright by Book News, Inc., Portland, OR
