To Make Our World Anew Robin D. G. Kelley 2000 Offers a reconstructed history of the United States as seen through the experiences and struggles of African Americans during the Colonial period, slavery, the Civil War, reconstruction, and the Civil Rights era.

A Most Splendid Company Richard Flint 2019-04-15 This magisterial volume unveils Richard and Shirley Flint’s deep research into the Latin American and Spanish archives in an effort to track down the history of the participants who came north with the Coronado expedition in 1540. Through their investigation into thousands of legal cases, financial records, proofs of service, letters, journals, and other primary materials, they provide social and cultural documentation on the backgrounds of hundreds of individuals who made up the Coronado expedition and show that the expedition was the first phase of a three-phase effort to complete the Columbian project: to delineate a westward route to Asia from Spain.

The World of Antebellum America: A Daily Life Encyclopedia [2 volumes] Alexandra Kindell 2018-09-20 This set provides insight into the lives of ordinary Americans free and enslaved, in farms and cities, in the North and the South, who lived during the years of 1815 to 1860. Provides intimate details about the personal lives of Americans during the Antebellum Era Demonstrates the diversity of the American experience in the years before the Civil War Makes clear how hard Americans worked to build their lives while still participating in the democratic process • Explores how Americans dealt with the daily demands of life as national and regional issues created insecurity and instability • Includes 40 primary source documents with detailed introductions to realize Antebellum America

I Smell of Cigarettes and Cheap Memories Collin R. Brumagin 2014-07-01 “I Smell of Cigarettes and Cheap Memories” is a lyrical journey through a whiskey-soaked heart torn by both the bittersweet triumphs and failures of past loves, both romantic and otherwise. Each poem envelops a story of its own with a beginning, middle and end, allowing the reader to envision themselves in a space and time where the words become a reality. It sends the mind down an emotional road full of both beer-spewing laughter and gut-wrenching heartache. Brumagin is able to connect and relate to the most basic instincts and desires of human nature, most importantly what it means to gain and lose, and to genuinely let oneself feel the weight of those losses.

Max Opposite Meldon J. Wright 2012-02-01 Max OppositeWhat do you do when you can’t control what you do,When your brain behaves in mysterious ways,When you’re only 13,And discover your life is a lie?What do you do,When your search for the truth,Plunges you into a nightmare?“Max has it all: action, adventure, international settings, a touch of romance and a sci-fi tilt. Great read for all ages.” – A. H. (Auckland, New Zealand)"Rachel, do you
dream?" "Of course I do. Everyone does." "Do you always have the same dream?" "Ah, no, that'd be pretty weird." "I thought so." "So what's this about, Max?" "I have the same dream every single night. Always have, for as long as I can remember." "That's definitely not normal. Even recurring dreams don't stay forever." "Fast moving with a clever plot. Max kept me completely involved. Thoroughly enjoyable... waiting for the next episode." - J. G. (Sydney, Australia) "Max makes Harry Potter look wimpy! Great characters and an absolutely fantastic story." - P. L. (South Carolina, U.S.A.)

Max Opposite

Every morning, thirteen year old Max wakes from the same dream, scans his bedroom and waits for his memories to return. Every morning, when they do, he takes a deep breath and prepares for another day of humiliating events: Nicknamed 'Opposite' at school, Max is known for bizarre and inexplicable behaviour. Tired of being the fool, Max begins to question his purpose in life. What is wrong with him? Why does his mother keep secrets from him? Where does she secretly go at night?

With the help of Rachel, his only friend, Max sets out to find the answers, and is quickly drawn into a world of danger far beyond any of the problems faced at school. Soon he and Rachel find themselves at odds with one of the most ruthless and wealthy criminal masterminds the world has ever known. In an international battle for survival, Max is forced to face the truth about himself, and soon realises that it's not easy being thirteen and discovering that your whole life has been a lie. It's not easy being Max Opposite.

The Seeds of New Earth (the Silent Earth, Book 2) Mark R. Healy 2014-12-17 The Earth is in ruins. Cities and nations destroyed. Mankind is extinct. Brant and Arsha are synthetics, machines made in the image of people. They dream of bringing humans back into the world and have the technology to succeed, but the obstacles in their way are mounting. Not only are their own conflicting ideals creating a rift between them, but now the sinister Marauders are closing in as they seek revenge on Brant.

Out in the wasteland, strange lights and mysterious objects in the sky herald the arrival of new factions that seek to control the region. Even in the once quiet streets of their own city, malevolent forces are beginning to unfurl that threaten the sanctity of everything they hold dear, jeopardising the future that is within their grasp. A new voyage round the world. Vol. 1 [of Dampier's voyages.]. William Dampier 1703

The Story of the World: History for the Classical Child, Volume 1 Susan Wise Bauer 2007-08-28 A subject as moving and powerful as humanity's past should be inviting, and when it is told well, it is. Susan Wise Bauer succeeds in telling the captivating story of history with her best-selling history series. Parents and young readers have fallen in love with her narrative history, The Story of the World, and its accompanying Activity Book. Now teachers and home educators can take advantage of a new and valuable learning tool: the Tests and Answer Key package. Included are 42 tests: one for each chapter of The Story of the World. Perfect for evaluating comprehension and retention. The narrative format of The Story of the World helps children remember the famous people, places, and events in history. These tests offer you an easy way to make sure that your child is absorbing the important events from world history. A combination of multiple choice, matching, fill-in-the-blank, and short writing samples allow you to evaluate your child's retention and comprehension of key events in The Story of the World. The Tests package contains an answer key for all tests. These easy-to-use tests and answer keys, successfully used by hundreds of parents and teachers, provide an objective method for measuring retention of key facts, figures, and events from history. A combination of sequencing, matching, short-answer, and essay-style questions gives students a chance to show what they've learned. Used with The Story of the World Text Book and Activity Book (sold separately), the Test and Answer Key gives educators a complete history curriculum for their elementary school students.

A Theology for Artisans of a New Humanity, Volume 1 Juan L. Segundo 2011-05-13 A THEOLOGY FOR ARTISANS OF A NEW HUMANITY

Congoism Johnny Van Hove 2017-10-31 To justify the plundering of today's Democratic Republic of the Congo, U.S. intellectual elites
have continuously produced dismissive Congo discourses. Tracing these discourses in great depth and breadth for the first time, Johnny Van Hove shows how U.S. intellectuals (and their influential European counterparts) have been using the Congo in similar fashions for their own goals. Analyzing intellectuals as diverse as W.E.B. Du Bois, Joseph Conrad, and David Van Reybrouck, the book offers a theorization of Central West Africa, a case study of normalized narratives on the "Other", and a stirring wake up call for all contemporary writers on international history and politics.

**Speaking From Our Hearts Volume 1** Paul D. Lowe 2021-05-08 As global co-authors share their inspiring stories – based upon real-life experiences – they do so in the hope that readers will benefit. Hope – a ‘simple’ four-letter word, but what does it really mean? We could easily ask the same question about another word constructed by four letters – love. But wait! There’s another vital word that’s missing... what about that often mis-understood word – faith? Isn't the reality, that these three short words – faith, hope and love – unite and go hand-in-hand? Surely, they are the trio of all-powerful influences that sustain us, even through the darkest of life's challenges. **Through Speaking From Our Hearts, We Become World Game-Changers...** 22 Inspiring Stories – Global Co-Authors Radiating Messages Of Hope Aimée Mosco | Andrew Batt | Bill & Jenni Burridge | Cherri Forsyth Colleen Williamson | Frank Clark | Gurveer Khabra | Janice Veech | Jeannette Linfoot Jennifer Hyde | Jephias Mundondo | John Batterby | John ‘Smudger’ Smith Kevin Searcey | Kimberlee Woods | Kristin Johnson | Martin Leifeld | Paul Hart Paul Kelly | Sally Hooper | Sharon Griffiths | Tony Courtney Brown

**The Institutes of Biblical Law Vol. 1** R. J. Rushdoony 2009-11-16 To attempt to study Scripture without studying its law is to deny it. To attempt to understand Western civilization apart from the impact of Biblical law within it and upon it is to seek a fictitious history and to reject twenty centuries and their progress. The Institutes of Biblical Law has as its purpose a reversal of the present trend. it is called "Institutes" in the older meaning of the that word, i.e., fundamental principles, here of law, because it is intended as a beginning, as an instituting consideration of that law which must govern society, and which shall govern society under God. To understand Biblical law, it is necessary to understand also certain basic characteristics of that law. In it, certain broad premises or principles are declared. These are declarations of basic law. The Ten Commandments give us such declarations. A second characteristics of Biblical law, is that the major portion of the law is case law, i.e., the illustration of the basic principle in terms of specific cases. These specific cases are often illustrations of the extent of the application of the law; that is, by citing a minimal type of case, the necessary jurisdictions of the law are revealed. The law, then, asserts principles and cites cases to develop the implications of those principles, with is purpose and direction the restitution of God's order.

**And I Thought...** Wilnona Marie 2016-06-08 Getting money, paying bills, finding your prince charming, finding your happiness it looked so easy when you were young. You thought you had it all figured out. Little did you know life throws you curve balls. And you thought grownups had it easy so did these ladies. Follow their journeys while getting lost in the grownup world.

**What Matters** Keith Kantor 2012-09-01 America is the richest nation in the world, yet the health of our country's citizens has been in increasingly rapid decline for years. Unless we begin to make significant changes, the odds are great that America's health care system will eventually collapse under the weight of her citizens' collective obesity. Americans spend $1.8 trillion a year on health care; now one of the biggest drivers of both public and private spending. Yet, what do we get for all the money? Increased rates of arthritis, obesity, diabetes, cancer, heart disease, and hypertension. We pay, but get sicker. What's wrong? According to Dr. Kantor, we don't have a true health care system in this country: we have a disease and accident management system — and it's built to fail. It's bankrupting us, threatening our prosperity at home and leadership on the world stage. Chronically ill people don't go to work, and if they do, they don't work well. And the rest of us foot the bill. In “What Matters,” Dr. Keith Kantor has carefully laid out a no-nonsense plan on what needs to be done to improve Americans'
collective health. What's surprising is that many of his strategies do not require large investment by the individual, the government, or the private business community. Dr. Kantor is a United States Marine, a doctor of nutritional science and naturopathic medicine, an award-winning entrepreneur, an innovator and a business and industry leader, giving him a unique perspective on the simple - but at the same time, complex - relationships between food and the American healthcare situation. This practical guideline provides common sense solutions and illustrations that will put the country back on the road to good health and fiscal soundness. In addition, Dr. Kantor has woven in a lifetime of stories, anecdotes and life-lessons that make this an entertaining and easy read. As a side benefit, you might just pick up a few pointers from this Marine and CEO on how to be more effective in business and in life.

**Prophecy of Three** Ashley McLeo 2017-05-02
There is one prophecy, born of blood, fire, and stardust. And three sisters destined to fulfill it. But first, each must learn that the others exist. And that they're witches. Upon meeting, it's not all sunshine and rainbows. Only the threat of otherworldly beings arriving on Earth unites them. That and their strange, uncommonly loud, persistent, estrogen-filled family. When one sister suffers an attack on those she loves, the others come together to help. And find that the danger is closer, and stronger, than they ever could have imagined. Perfect for fans of the Charmed sisterhood and A Discovery of Witches.

**Gold in Havilah** Jean Hoefling 2017-06-06
"Author Hoefling (Journey to God, 2010) seamlessly combines her extraordinary mastery of early biblical tales with a spirit of inventive creativity, weaving a story that both embellishes but also preserves the original story... a gripping account that only deepens an inherited tale about the birth of mankind and about good and evil." -Kirkus Reviews Akliah, a daughter of Adam and Eve, has grown up at the foot of the holy mountain where the Garden of Eden lies. She and her siblings know well the story of their parents fall from innocence and their banishment from Eden. And they know the prophecy, that their privileged brother, Cain, will soon crush the head of the ancient serpent who tempted their parents there. Fiercely in love with Cain, Akliah is determined to become his wife. But her schemes are shattered when Cain kills his brother, Abel, and abducts her to a barren land east of Eden where she grieves her mistakes and Cain spirals into ever-deepening tiers of delusion through his bondage to a beautiful fallen angel. When she finally meets a man who offers a chance for love and redemption, Akliah is torn between an honest confession of her past and her longing to be admired. Against the backdrop of life in a city dedicated to dark powers, Akliah must finally make the choice to restore her integrity, or die trying.

**Don't go there. It's not safe. You'll die. And other more >> rational advice for overlanding Mexico & Central America** 2012
Your complete guide for overlanding in Mexico and Central America. This book provides detailed and up-to-date information by country. It also includes 11 chapters of information for
planning and preparing your trip and 9 chapters on what to expect while driving through Mexico and Central America. Completed by the authors of LifeRemotely.com this is the most comprehensive guide for driving the Pan American yet!

*River of Delights, Volume 1* Rick Howe 2015-02-27 In a day when many see Christian faith primarily as disapproval, River of Delights embraces a joyful vision of life, from our enjoyment of God, to delight in our most important relationships, pleasure in our most significant endeavors, and the adventurous joy of being an agent of God's Kingdom in the world. In a day when many regard Christian faith as irrelevant, River of Delights shows how joy connects with our deepest longings and highest aspirations and touches every facet of our lives. In a day when many view Christian faith as a set of obscure doctrines and rigid rules, River of Delights focuses on the God whose radiant joy eclipses all else, whose beauty steals our breath, and whose goodness beckons us into a life-changing, life-enriching relationship that will never end. River of Delights will not only immerse you in the Scriptures, it will introduce you to theologians past and present and initiate you into a growing band of Christians who see following Jesus as a path and portal to flourishing in life.

*New Directions in Third Wave Human-Computer Interaction: Volume 1 - Technologies* Michael Filimowicz 2018-07-02 As the first extensive exploration of contemporary third wave HCI, this handbook covers key developments at the leading edge of human-computer interactions. Now in its second decade as a major current of HCI research, the third wave integrates insights from the humanities and social sciences to emphasize human dimensions beyond workplace efficiency or cognitive capacities. The earliest HCI work was strongly based on the concept of human-machine coupling, which expanded to workplace collaboration as computers came into mainstream professional use. Today HCI can connect to almost any human experience because there are new applications for every aspect of daily life. Volume 1 - Technologies covers technical application areas related to artificial intelligence, metacreation, machine learning, perceptual computing, 3D printing, critical making, physical computing, the internet of things, accessibility, sonification, natural language processing, multimodal display, and virtual reality.

Test your dinosaur knowledge, or challenge your friends, in the ultimate dinosaur quiz. Dinosaur Book Sample

*Son of Sedonia* Ben Chaney 2012-12 Imagine growing up in the largest slum on the planet in the year 2080AD. Twenty million people are your neighbors, huddled together in an ocean of rusted dwellings made from whatever Sedonia City, the towering metropolis in the distance, decides to throw away. Gang members, known as the T99s, are the heads of your community: smuggling tech, trafficking drugs, and fighting a constant guerilla war against the City's bio-augmented EXO police force. There is little hope for survival. None for escape to a better life beyond the half-mile high Border between city and slum. This is Matteo's world. A bright kid, but sick and weak since childhood, he is
painfully dependent on Jogun: loving older brother, and hardened soldier for the T99s. When a luxury transport from Sedonia's aerial traffic crash-lands in Rasalla, it threatens to change Matteo and Jogun's fate forever. And all fates are connected. The Dwellers of Rasalla, bound by family in the scrap, ashes, and dirt. The Citizens of Sedonia, oblivious to danger in the buzzing twilight of the Neuro-Social Revolution. The EXOs, placing themselves in harm's way to perform their duty to protect their homes and fellow officers. And the Ruling Elite, whose long-buried secrets and desperate plans could spell the end of civilization...or a new beginning. Son of Sedonia is an action-filled science fiction epic with a soul and a clear message. Its characters live, breathe, suffer, and love in their different worlds, each brought to the brink as the Third-World collides with the First. Their future could well be ours.

To Make Our World Anew
Robin D. G. Kelley
2005-04-28 The two volumes of Kelley and Lewis's To Make Our World Anew integrate the work of eleven leading historians into the most up-to-date and comprehensive account available of African American history, from the first Africans brought as slaves into the Americas, right up to today's black filmmakers and politicians. This second volume covers the crucial post-Reconstruction years and traces the migration of blacks to the major cities. It describes the remarkable birth of the Harlem Renaissance, the hardships of the Great Depression, and the service of African Americans in World War II. Readers witness the struggle for Civil Rights in the 1950s and '60s and finally, the emergence of today's black middle class. Here is a panoramic view of African-American life, rich in gripping first-person accounts and short character sketches that invite readers to relive history as African Americans have experienced it.

To Make Our World Anew
Robin D. G. Kelley
2005-04-28 The two volumes of Kelley and Lewis's To Make Our World Anew integrate the work of eleven leading historians into the most up-to-date and comprehensive account available of African American history, from the first Africans brought as slaves into the Americas, right up to today's black filmmakers and politicians. This first volume begins with the story of Africa and its origins, then presents an overview of the Atlantic slave trade, and the forced migration and enslavement of between ten and twenty million people. It covers the Haitian Revolution, which ended victoriously in 1804 with the birth of the first independent black nation in the New World, and slave rebellions and resistance in the United States in the years leading up to the Civil War. There are vivid accounts of the Civil War and Reconstruction years, the backlash of the notorious "Jim Crow" laws and mob lynchings, and the founding of key black educational institutions, such as Howard University in Washington, D.C. Here is a panoramic view of African-American life, rich in gripping first-person accounts and short character sketches that invite readers to relive history as African Americans have experienced it.

Knightingale
Stephanie Laws 2012-09-14 Evil has plagued this world since the dawn of creation seeking to gain control. One family was given supernatural abilities with the sole purpose of protecting the things in this world that evil must never take possession of. Samantha Nelson knew she was cursed. She didn’t know that her unnatural ability of forcing the truth out of people was just the beginning of her curse until her family is murdered in a horrific home explosion. Six months later she finds herself face to face with a Knight Protector and her life is turned into utter chaos. When David received his assignment on his twentieth birthday he was told that his destiny would be entwined with a woman soon to be born and that his aging would be halted. Since the moment Samantha was born, David protected her from her enemies. As every Knight before him, he does so in the shadows. But David must face the facts that something even deadlier than her enemies is occurring. No matter how much he denies it, he is falling in love with her. When her enemies begin to discover ways around his protection and murder her family he is forced to make a decision of what is more important to him; his family or his assignment. All it takes is one warning sign of danger to convince him that he simply cannot live without Samantha and he takes a leap that will change their lives forever. Their only chance of survival is to discover what Samantha's destiny is and the journey leads...
them straight to the heart of the Knight family where they discover evil has infiltrated and it is up to them to stop the evil before it destroys the family and gains control of the very thing that God created the family to protect.

**To Make Our World Anew** Robin D. G. Kelley 2005-04-28 A panoramic, illustrated overview of African-American life offers a reconstructed history of the United States as seen through the experiences and struggles of African Americans during the Colonial period, slavery, the Civil War, reconstruction, and the Civil Rights era.

**Calliope** Mark Pucci 2013-07-21 Calliope is a literary novel. In its simplest form, it is the story of a man longing to become the young, idealistic person he once was when the world seemed completely open to promise. It is the desire to re-experience life with all the naiveté and hope of romantic youth. In its allegorical form, the story explores such themes as purpose, morality, social convention, materialism and happiness. When the protagonist meets an orange-haired girl, his life is forever altered. Her name is Calliope, and what occurs throughout the rest of the novel is a wild, episodic fugue.

The flight becomes a frenetic interlacing through wilderness and civilization, this being an allusion to Jean-Jacques Rousseau's Discourse on Inequality. The wilderness comes to represent a path back to the primal self, while civilization is more dubious representing both the potential for corruption, as well as the great heights of artistic and rational endeavors. Yet while on the journey, the protagonist is forced to look at life anew in part due to the somewhat unscrupulous efforts of Calliope. Morality is examined through the eyes of Calliope, who is by all intensive purposes Greek, which means pre-Christian. Her moral code is not affected by the guilt of Christianity. Her nakedness throughout the novel in part symbolizes a complete lack of shame. As for her beliefs, an understanding of Friedrich Nietzsche's perspectivism best represents her values. This allows the protagonist an opportunity to erase everything that he has learned. All custom, all forms of etiquette, religious belief, habit and convention must be forgotten in order to re-experience the world with the sense of wonderment he so eagerly longs for. With no ties to the world, he embarks upon an epic voyage of silliness and profound examination. Lured along by this electric, orange-haired muse, he becomes convinced that she is either bent upon his supreme salvation or utter damnation. What is so amazing about the entire journey is where they both end up—a location which seems to be the last place the protagonist was in complete control of his destiny. Therefore, a true chance to begin again is perhaps realized.

**God's Word for Our World** Deborah L. Ellens 2004-03-01 This two-volume work in biblical studies is a commemorative presentation to Simon John DeVries, noted Old Testament Scholar. Volume one offers a series of essays on issues in Hebrew bible studies. The topics addressed include the nature of Yahweh as God of Israel, a reexamination of the Exodus tradition, the Priestly code and practices, prophets and revelation, biblical poetry, issues in biblical linguistics, dramatic narrative in Hebrew Bible tradition and Yahweh's deliverance as redemption in Israel.

**The West in the World Vol 1 to 1715** Dennis Sherman 2013-09-19 Connect students to the stories of history. Connect students to success in history. Connect students to the experience of history. At McGraw-Hill, we have spent the past few years deepening our understanding of the student and instructor experience. Employing a wide array of research tools including surveys, focus groups, and ethnographic studies, we've identified areas in need of improvement to provide an opportunity for greater learning and teaching experiences. The new edition of The West in the World is a direct result of this in-depth research. The West in the World’s newest edition is also a first in the teaching and learning of Western Civilization. Its groundbreaking web-based digital solution, its unique mid-length and lively narrative, and its rich, outstanding visuals creates a unique teaching and learning environment propelling greater student success and overall improved course results. Instructors gain better insight into students' engagement and understanding as students develop a base of knowledge and construct stronger critical thinking skills. Unparalleled coverage of art and culture as well as science and technology sets the stage and provides rich insights into historical time periods and events. The captivating stories and lush images keep
students turning the page, helping prepare for class discussion and course work while its new teaching and learning platform, Connect History, enables students to engage with the course content on a greater level. The West in the World illustrates the significance of economic, political, social and cultural interactions that shaped Western civilization while asking students to analyze the events and themes in order to build a greater understanding of the past and an appreciation of history's influence on the present. With The West in the World, students are no longer simply reading; they are reading, interacting, and engaging in a visual, auditory, and hands-on learning experience. As students uniquely experience the history of Western Civilization, The West in the World propels students to greater understanding and the achievement of greater course success. Experience The West in the World and experience greater course success.

The Branch Exposition of the Bible, Volume 1
Michael A. Eaton 2020-08-31
“If you picture the Bible to be a mighty tree and every word a little branch, I have shaken every one of these branches because I wanted to know what it was and what it meant.” —MARTIN LUTHER

A great deal of biblical scholarship is written for academics and fails to edify readers or strengthen their Christian ministry. Yet, Christians need to be nourished by the word of God so they can mature in faith and righteousness. Filling this gap, The Branch Exposition of the Bible is a resource for preachers, scholars, and everyday Christians alike, to help open God’s word and shed its light into life, ministry and teaching. Inspired by the words of the great reformer Martin Luther about shaking every branch of Scripture, and with experience in ministering across Africa, India and the West, Michael A. Eaton helps us understand the meaning of the Bible and taste its fruit. With an Old Testament volume to follow, this exposition of the New Testament accessibly engages with the biblical languages, gives application for our lives, and leads us through each book of the New Testament so that we can meet the resurrected Jesus Christ in the pages of Scripture.

Best of Apex Magazine
Jason Sizemore 2016-01-12

Inn Between Worlds
Thomas Farmer 2017-10-21
Sitting outside of time and space is the Inn Between Worlds. Residents might say it's a place for travelers, or a place to rest, a place to find excitement. Or they might say it's dangerous and to be avoided at all costs because Reality Does Not Work Right inside its infinite walls. Contained in these pages are three stories that all share one important point: Their events would not have been possible without The Inn.

"Gideon Wallace and the Sapphire Woman" is the first story in a new series by Thomas A Farmer, and shows what happens when a mortal man finds himself drawn into a fight between gods. In "Chaos Candy," by Amie Gibbons, supernatural bounty hunter Zee tries to uncover a dark secret and learns much more than she ever wanted to know. Finally, Michael David Anderson's "Flux" continues the adventures of Teddy Dormer, taking him once again to strange new places and showing him new nightmares.

Reading the Hebrew Bible for a New Millennium, Volume 1
Wonil Kim 2000-08-01
Part of the Studies in Antiquity series, these 21 essays feature interpretations of the Hebrew Bible using the comprehensive, interpretive methodology developed by Rolf P. Knierim. **To Make Our World Anew** Robin D. G. Kelley 2005-04-28 A panoramic, illustrated overview of African-American life offers a reconstructed history of the United States as seen through the experiences and struggles of African Americans during the Colonial period, slavery, the Civil War, reconstruction, and the Civil Rights era. **Once Again** Gina Scott 2016-04-07 Savannah is a young woman set out to make a difference in the world. But she plans to do it alone. With no family to connect with and no man in her life, she is ready, willing and able to face the challenges life has to offer. She is fearless, or so she thinks. She has planned her life out carefully never realizing that the best plans are sometimes altered. This story is about her journey as her life’s plan changes its course. **Christine Kringle** Lynn Brittney 2007-08-10 A fun Christmas fantasy book about the Christmas Gift Bringers of the World. **Homo Luminous** Mike Frost 2011-01-21 David Werden wants nothing more than to lead a quiet, ordinary life. But his world is turned upside down when an unknown event changes the face of the planet. Realizing he cannot live alone in the ruins of the old world, and compelled by a strange internal force to reach the sea, he sets out on foot, carrying what he can, struggling against the harsh post-apocalyptic environment to search out others who may still be alive. Thrust into the leadership of a band of survivors, David struggles to scratch out the necessities of life while dealing with the staggering destruction and overwhelming sense of loss - and begins to understand the tragic and marvelous events that have occurred to the planet and to humanity itself. Finding love and betrayal, he must fight those who cling to the old world with all their strength and those who wish to stamp out the growing number of people coming to terms with their new levels of perception and insight into the Universal Mind.
