Its approximately what you compulsion currently. This Whos Who In The Soviet Union, as one of the most full of life sellers here will very be among the best options to review.

The Future Is History  Masha Gessen  2017-10-03 WINNER OF THE 2017 NATIONAL BOOK AWARD IN NONFICTION FINALIST FOR THE NATIONAL BOOK CRITICS CIRCLE AWARDS WINNER OF THE NEW YORK PUBLIC LIBRARY'S HELEN BERNSTEIN BOOK AWARD NAMED A BEST BOOK OF 2017 BY THE NEW YORK TIMES BOOK REVIEW, LOS ANGELES TIMES, WASHINGTON POST, BOSTON GLOBE, SEATTLE TIMES, CHRISTIAN SCIENCE MONITOR, NEWSWEEK, PASTE, and POP SUGAR The essential journalist and bestselling biographer of Vladimir Putin reveals how, in the space of a generation, Russia surrendered to a more virulent and invincible new strain of autocracy. Award-winning journalist Masha Gessen's understanding of the events and forces that have wracked Russia in recent times is unparalleled. In The Future Is History, Gessen follows the lives of four people born at what promised to be the dawn of democracy. Each of them came of age with unprecedented expectations, some as the children and grandchildren of the very architects of the new Russia, each with newfound aspirations of their own--as entrepreneurs, activists, thinkers, and writers, sexual and social beings. Gessen charts their paths against the machinations of the regime that would crush them all, and against the war it waged on understanding itself, which ensured the unobstructed reemergence of the old Soviet order in the form of today's terrifying and seemingly unstoppable mafia state. Powerful and urgent, The Future Is History is a cautionary tale for our time and for all time.

Who's Who in the Former Soviet Union 1994
Between Tsar and People Edith W. Clowes 1991-03-21 This interdisciplinary collection of essays on the social and cultural life of late imperial Russia describes the struggle of new elites to take up a "middle position" in society--between tsar and people. During this period autonomous social and cultural institutions, pluralistic political life, and a dynamic economy all seemed to be emerging: Russia was experiencing a sense of social possibility akin to that which Gorbachev wishes to reanimate in the Soviet Union. But then, as now, diversity had as its price the potential for political disorder and social dissolution. Analyzing the attempt of educated Russians to forge new identities, this book reveals the social, cultural, and regional fragmentation of the times. The contributors are Harley Balzer, John E. Bowlt, Joseph Bradley, William C. Brumfield, Edith W. Cles, James M. Curtis, Ben Eklof, Gregory L. Freeze, Abbott Gleason, Samuel D. Kassow, Mary Louise Loe, Louise McReynolds, Sidney Monas, John O. Norman, Daniel T. Orlovsky, Thomas C. Owen, Alfred Rieber, Bernice G. Rosenthal, Christine Ruane, Charles E. Timberlake, William Wagner, and James L. West. Samuel D. Kassow has written a conclusion to the volume.
The Peking Who's Who 1969
Everything was Forever, Until it was No More Alexei Yurchak 2006 Drawing on diaries, correspondence, interviews and memoirs, and applying historical, anthropological and linguistic analyses, this text explores late Soviet period (1960s-80s) through the eyes of the last Soviet generation.

Privilege in the Soviet Union (Routledge Revivals) Mervyn Matthews 2013-01-11 First published in 1978, this unique work throws much-needed light upon the exact nature of privilege and elite life-styles in the contemporary Soviet Union, under the Communist regime. Dr Matthews' study places these life-styles in a historical perspective, and characterises, in sociological terms, the people who enjoyed them. This study is based on an extensive programme of personal interviews among emigre groups and a close analysis of original and little-known legal historical sources. There are special sections on the nature of change in the Soviet elite and on social mobility. This reissue will attract interest amongst students and scholars concerned with the history, politics and sociology of the Soviet Union; it will also be of value to all those concerned with the age-old problem of social equality.
Who's Who in the Laser Association in the Former Soviet Union 1994-02-01 The former Soviet Union was a pioneer in laser engineering. Approximately 800 different laser products are manufactured & are commercially available in the former Soviet Union. This is an English language directory of laser research & industrial organizations, including laser institutes & technological centers.
Public and Private Life of the Soviet People Vladimir
Emmanuilovič Šlâpentoh 1989 This study explores how in recent years the Russian people have withdrawn their time and energy from public activities controlled by the state, and turned more to private life. Gorbachev's reforms, it is argued, are in part an official reaction to this trend.

Disability in Eastern Europe and the Former Soviet Union Michael Rasell 2016-04-24 There are over thirty million disabled people in Russia and Eastern Europe, yet their voices are rarely heard in scholarly studies of life and well-being in the region. This book brings together new research by internationally recognised local and non-native scholars in a range of countries in Eastern Europe and the former Soviet Union. It covers, historically, the origins of legacies that continue to affect well-being and policy in the region today. Discussions of disability in culture and society highlight the broader conditions in which disabled people must build their identities and well-being whilst in-depth biographical profiles outline what living with disabilities in the region is like. Chapters on policy interventions, including international influences, examine recent reforms and the difficulties of implementing inclusive, community-based care. The book will be of interest both to regional specialists, for whom well-being, equality and human rights are crucial concerns, and to scholars of disability and social policy internationally.

Who's Who in Russia since 1900 Martin McCauley 2002-09-11 Who's Who in Russia and the Soviet Union is a unique reference guide which examines the leading political, economic, cultural, military, scientific and sporting personalities from 1900-1991. Through analysis of figures such as Stalin, Brezhnev, Khrushchev, Yeltsin, Ratushinskaya and Sakharov, a comprehensive portrait of Russian and Soviet society in this era emerges. The book takes the reader up to the collapse of the Soviet Union and provides: - detailed biographical information on each leading figure - bibliographical references with entries as an aid to further research - a comprehensive glossary of Russian terms, concepts and institutions and a useful chronology of events - an accessible and user-friendly A-Z layout - an invaluable guide for students, teachers, researchers, and the general reader alike.
