UNIT 3 CHARACTERISTICS OF MASS MEDIA AUDIENCES

and political groups become very large and the individuals become socially and psychologically isolated. The modernising societies experience an increases in individuality. The individuals develop a strong alienation with the community as a whole. There is an increased growth of segmental and contractual relationships. Such

1 THE RIGHT TO THE CITY David Harvey

A lot of political energy is put into promoting, protecting and articulating their significance in the construction of a better world. For the most part the concepts circulating are individualistic and property-based and, as such, do nothing to fundamentally challenge hegemonic liberal and neoliberal market logics
political revolution and underground music. Palestinian political music was started in 1950 by combining elements of the nationalist poetry in Arab-Western musical instruments. Palestinian music is still using Arabic lyrics like zajal, mawal or saj, and another form. Hip-hop is one of the media to voice the apprehension of Palestinians.
