So, taking into consideration you require the books swiftly, you can straight get it. Its so agreed easy and in view of that fats, isnt it? You have to favor to in this tell

The Complete Tales of Henry James (Volume 4 of 12) Henry James 2010-01-01 Henry James (1843-1916) was an America-born English writer whose novels, short stories and letters established the foundation of the modernist movement in twentieth century fiction and poetry. His career, one of the most significant and influential in English literature, spanned over five decades and resulted in a body of work that has had a profound impact on generations of writers. Born in New York, but educated in France, Germany, England and Switzerland, James often explored the cultural discord between the Old World (Europe) and the New World (United States) in his writings. Included in this fourth volume of "The Complete Tales of Henry James" are the stories published between 1876 and 1882, at the beginning of James' rise to popularity: "Crawford's Consistency," "The Ghostly Rental," "Four Meetings," "Rose-Agathe," the popular "Daisy Miller: A Study," "Longstaff's Marriage," "An International Episode," "The Pension Beauxepas," "The Diary of a Man of Fifty," "A Bundle of Letters," and "The Point of View."

Daisy Miller Henry James 2011-11-14 Henry James's Daisy Miller was an immediate sensation when it was first published in 1878 and has remained popular ever since. In this novella, the charming but inscrutable young American of the title shocks European society with her casual indifference to its social mores. The novella was popular in part because of the debates it sparked about foreign travel, the behaviour of women, and cultural clashes between people of different nationalities and social classes. This Broadview edition presents an early version of James's best-known novella within the cultural contexts of its day. In addition to primary materials about nineteenth-century womanhood, foreign travel, medicine, philosophy, theatre, and art—some of the topics that interested James as he was writing the story—this volume includes James's ruminations on fiction, theatre, and writing, and presents excerpts of Daisy Miller as he rewrote it for the theatre and for a much later and heavily revised edition.

The New York Stories of Henry James Henry James 2011-08-17 Henry James led a wandering life, which took him far from his native shores, but he continued to think of New York City, where his family had settled for several years during his childhood, as his hometown. Here Colm Tóibín, the author of the Man Booker Prize shortlisted novel The Master, a portrait of Henry James, brings together for the first time all the stories that James set in New York City. Written over the course of James's career and ranging from the deliciously tart comedy of the early "An International Episode" to the surreal and haunted corridors of "The Jolly Corner," and including "Washington Square," the poignant novella considered by many (though not, as it happens, by the author himself) to be one of James's finest achievements, the nine fiction gathered here reflect James's varied talents and interests as well as the deep and abiding preoccupations of his imagination. And throughout the book, as Tóibín's fascinating introduction demonstrates, we see James struggling to make sense of a city in whose rapidly changing outlines he discerned both much that he remembered and held dear as well as everything about America and its future that he dreaded most. Stories included: The Story of a Masterpiece A Most Extraordinary Case Crawford's Consistency An International Episode The Impressions of a Cousin The Jolly Corner Washington Square Crapy Cornelia A Round of Visits The Complete Tales of Henry James Henry James 1963 The complete tales Henry James 1964 The Complete Tales of Henry James Henry James 1963 The Complete Tales of Henry James (1889-1872) Henry James 1962 The Complete Tales by Henry James - Delphi Classics (Illustrated) Henry James 2017-07-17 This eBook features the unabridged text of 'The Complete Tales' from the bestselling edition of 'The Complete Works of Henry James'. Equally adept at ironic comedy, muted tragedy, and supernatural fantasy, at lively social satire and nuanced portraiture, James in his shorter works explores a staggering variety of situations and emotions. Here are courtships and legacies; the worlds of literature, theater, and the popular press; the paradoxes of temperament and the constraints of custom; the clash of conscience and desire. Stylistically, the stories allowed James to experiment with tones and devices quite different from his novels—dramatic plot twists and surprise endings, swift pacing and ebullient humor. The brilliance of his technical command allowed him to transform the tiniest of suggestions—a fleetingly observed gesture, an anecdote dropped at a dinner party—into fiction remarkable for its lambent surfaces and intricate psychological counterpoint. The twenty-one stories in this volume represent James at the peak of his storytelling powers. Among them are "The Turn of the Screw," one of his most popular works, and a terrifying exercise in psychological horror centering on the corruption of childhood innocence; "The Real Thing," a playful consideration of the illusion of art and the paradoxes of authenticity; "The Figure in the Carpet," "The Death of the
Lion,” and “The Middle Years,” three very different expositions of the mysteries of authorship, embodying some of James's most profound insights into the nature of his own art; “The Altar of the Dead,” a somber, ultimately wrenching meditation on the relation of the living to the dead; and “In the Cage,” an extended evocation of the inner life of a young woman trapped in a dehumanizing job at a postal-and-telegraph office. LIBRARY OF AMERICA is an independent nonprofit cultural organization founded in 1979 to preserve our nation's literary heritage by publishing, and keeping permanently in print, America's best and most significant writing. The Library of America series includes more than 300 volumes to date, authoritative editions that average 1,000 pages in length, feature cloth covers, sewn bindings, and ribbon markers, and are printed on premium acid-free paper that will last for centuries.

The Real Thing (A Collection of Short Stories)

Henry James 2016-04-01

This early work by Henry James was originally published in 1893 and we are now republishing it with a brand new introductory biography. Henry James was born in New York City in 1843. One of thirteen children, James had an unorthodox early education, switching between schools, private tutors and private reading. James published his first story, 'A Tragedy of Error', in the Continental Monthly in 1864, when he was twenty years old. In 1876, he emigrated to London, where he remained for the vast majority of the rest of his life, becoming a British citizen in 1915. From this point on, he was a hugely prolific author, eventually producing twenty novels and more than a hundred short stories and novellas, as well as literary criticism, plays and travelogues. Amongst James's most famous works are The Europeans (1878), Daisy Miller (1878), Washington Square (1880), The Bostonians (1886), and one of the most celebrated works of American literature, The Turn of the Screw (1898). We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.
