Comprehending as without difficulty as concord even more than supplementary will have the funds for each success. neighboring to, the proclamation as skillfully as perspicacity of this Beyond Biblical Criticism Encountering Jesus In Scripture can be taken as well as picked to act.

Systematic Theology, Volume 1, Fourth Edition James Leo Garrett 2014-09-14
The Gospel According to Mark 1999-01-01 The earliest of the four Gospels, the book portrays Jesus as an enigmatic figure, struggling with enemies, his inner and external demons, and with his devoted but disconcerted disciples. Unlike other gospels, his parables are obscure, to be explained secretly to his followers. With an introduction by Nick Cave
Quarterly Review 1983
The Gospel of Mark 1992
Spirit Ethics Paul T. Jersild 2000
How can Christians responsibly derive moral guidance from the Bible on pressing issues of personal and social morality today? Jersild's book sets the context for a study of Scripture and the moral life in a postmodern, pluralist society with its impact on biblical studies. The ethical contents and authority of Scripture are addressed, and a "Spirit ethics" is proposed as a way of developing a biblically based Christian ethics. Christians cannot simply adopt a once-and-for-all set of rules nor simply cite Bible verses against the latest sins. "Absolutely essential," says Jersild, "is the ongoing engagement of the church with the moral environment of society and the issues that this raises for the church." Jersild applies his model fruitfully and persuasively to three pressing and perplexing issues: assisted suicide, homosexuality, and genetic programs.

Biblical Preaching Haddon W. Robinson 2014-03-18 This bestselling text by Haddon Robinson, considered by many to be the "teacher of preachers," has sold over 300,000 copies and is a contemporary classic in the field. It offers students, pastors, and Bible teachers expert guidance in the
development and delivery of expository sermons. This new edition has been updated throughout and includes helpful exercises. Praise for the Second Edition Named "One of the 25 Most Influential Preaching Books of the Past 25 Years" by Preaching "[An] outstanding introduction to the task of preparing and presenting biblical sermons. More than any other book of the past quarter century, Biblical Preaching has profoundly influenced a generation of evangelical preachers."--Preaching National Union Catalog Includes entries for maps and atlases.

Rational Faith
Stephen T Davis
2017-02-17 If God exists, why doesn't he eliminate suffering and evil? Does evolution disprove Christianity? Can religion be explained by cognitive science? People have grappled for ages with these kinds of questions. And many in today's academic world find Christian belief untenable. But renowned philosopher Stephen Davis argues that belief in God is indeed a rational and intellectually sound endeavor. Drawing on a lifetime of rigorous reflection and critical thinking, he explores perennial and contemporary challenges to Christian faith. Davis appraises objections fairly and openly, offering thoughtful approaches to common intellectual problems. Real questions warrant reasonable responses. Examine for yourself the rationality of the Christian faith.

Teaching the Bible to Adults and Youth
Dick Murray 1993 Written for lay leaders, pastors, or individuals wanting to broaden their approach to Scripture, this book includes ten strategies for effective Bible study.

Preaching Christ from the Old Testament
Sidney Greidanus 1999-07-13 Arguing for the need both to preach Christ in every sermon and to preach regularly from the Old Testament, Sidney Greidanus develops a christocentric method that will help preachers do both simultaneously. Greidanus challenges Old Testament scholars to broaden their focus and to understand the Old Testament not only in its own historical context but also in the context of the New Testament. Suggesting specific steps and providing concrete examples, this volume provides a practical guide for preaching Christ from the Old Testament.

Two Testaments, One Bible
David L. Baker 2013-04-06 Do we need the Old Testament today? Is this collection of ancient writings still relevant in our postmodern and increasingly post-literary world? Isn't the New Testament a sufficient basis for the Christian faith? What does the Old Testament God of power and glory have to do with the New Testament God of love whom Jesus calls 'Father'? Are these two very different Testaments really one Bible? In this thoroughly revised, updated and expanded edition of Two Testaments, One Bible, David L. Baker investigates the theological basis for the continued acceptance of the Old Testament as Christian Scripture, through a study of its relationship to the New Testament. He introduces the main issues, surveys the history of interpretation, and critically examines four major approaches. He then considers four key themes, which provide a framework for Christian interpretation of two Testaments in the context of one Bible: 'typology,' 'promise and fulfilment,' 'continuity and discontinuity,' and 'covenant.' He completes his study with a summary of the main conclusions and reflection on their implications for the use of the Bible today.

Christian Philosophical Theology
Stephen T. Davis 2006-03-16 Christian Philosophical Theology constitutes a
Christian philosopher’s look at various crucial topics in Christian theology, including belief in God, the nature of God, the Trinity, christology, the resurrection of Jesus, the general resurrection, redemption, and theological method. The book is tightly argued, and amounts to a coherent explanation of and case for the Christian world view. Although written from a broadly Reformed Protestant perspective, and although the author does not avoid controversial topics, the aim is to present a ‘merely Christian’ world view (to adapt slightly C. S. Lewis’s famous term). That is, Stephen T. Davis attempts to write as much as possible from the perspective of the broad centre of Christian understanding.

Encountering Jesus
Stephen T. Davis 1988-01-01
Encountering Jesus showcases a lively and provocative dialogue among five theologians and philosophers of religion that offers insight into the problems of Christology.

Systematic Theology, Volume 1, Fourth Edition
James Leo Garrett Jr. 2014-09-14
"Rivals the major systematic theologies of this century." --Baptist History and Heritage Journal, July 1996 "One of the characteristics of Garrett's system that needs especially to be noted is its balanced, judicious, and nearly invariably objective presentation of materials. While holding true to the teachings of his own Baptist faith, Garrett so carefully and judiciously presents alternatives . . . that teachers and students from other confessional and denominational positions will find his work instructive." --Consensus, 1997 "If one is searching for an extensive exposition of the biblical foundations and historical developments of the various loci of systematic theology, there is no more complete presentation in a relatively short work than this . . . Pastors will especially find this feature to be a real help in teaching theology . . . [It is] an indispensable contribution to the task of systematic theology." --Journal of the Evangelical Theological Society, September 1999 "Many students and pastors will find all they need here, and will in addition be helped to relate their knowledge to recent developments in the theological world." --The Churchman: A Journal of Anglican Theology, 1991 "A gold mine of helpful material." --The Christian Century, May 29-June 5, 1991 "No book that I know is more loaded with biblical and theological facts than this one. The prodigious research that must have gone into the preparation of this volume is truly mind-boggling." --Faith and Mission, Fall 1991 "Garrett has provided a massive and scholarly systematic theology from a thoroughly conservative and comprehensive viewpoint. The work is well documented in both biblical and historical scholarship and will prove to be a classic." --William Hendrickson, Southern Baptist Theological Seminary "One of the most comprehensive, concise books of its type available; it should receive wide use in the classroom and in the
Beyond Biblical Theology

Timo Eskola

Reading Heikki Räisänen’s hermeneutics in context, Timo Eskola explores the development of Western New Testament interpretation. Proposing sociology as the link between standard historicism and poststructuralism, Räisänen reinterprets the sociology of knowledge. He substitutes sacralized culturalism for biblical theology.

The Interpretation of Holy Scripture

Walter M. Dunnett 1984

An introduction to hermeneutics.

Beyond Biblical Criticism

Arthur William Wainwright 1982

La hermenéutica de Cristo

Lucas Alemán 2020-10-27

La presencia de Cristo en el Antiguo Testamento es incuestionable. El consenso general es que Cristo puede encontrarse en el Antiguo Testamento y debe predicarse desde el Antiguo Testamento. Sin embargo, no todos están de acuerdo en cómo encontrar y predicar a Cristo con base en la primera parte de la revelación divina. Este libro defiende al cristotelismo como la hermenéutica que anticipa al Cristo que el Nuevo Testamento identifica como Jesús (Mt 26:63–64; Jn 1:41, 45) sin tener que forzarlo en cada pasaje del Antiguo Testamento. Para encontrar y predicar a Cristo en y desde el Antiguo Testamento es necesario leerlo cuidadosamente, precisamente de la misma manera que Cristo lo hizo.

Mark's Account of Peter's Denial of Jesus

Robert W. Herron 1991

For 2,000 years, Mark's story of Peter's denial has been the object of various interpretations. This work categorizes and analyzes those interpretations and, in the process, sheds light on hermeneutical theory as practiced through the centuries and gives insight into the meaning of the passage itself (Mark 14:54, 66-72). The book offers extensive demonstration and analysis of ancient and modern methods of interpretation; provides fresh, accurate translations of ancient texts which are not available elsewhere; and presents an exhaustive exegesis of Mark 14:54, 66-72. Although targeted especially for New Testament scholars, it will be of great interest to seminarians and students of religion, church history, or hermeneutics.

Debating Christian Theism

J. P. Moreland 2013-08-15

This volume offers groundbreaking dialogue by many of the most prominent scholars in the field in a definitive treatment of central issues in theism and Christian faith.

Issues in Biblical Inspiration

Peter Maarten Van Bemmelen 1988

Biblical Sermons

Haddon W. Robinson 1997-02-01

Haddon Robinson's method in Biblical Preaching is employed in twelve expository messages with accompanying comments on each by the editor and interviews with each preacher.

Biblical Exegesis, Third Edition

John H. Hayes 2007-03-19

John Hayes and Carl Holladay have thoroughly revised and expanded this best-selling textbook, adding new chapters on emerging methods of interpretation and the use of computer technology for exegesis. All bibliographies have been updated, and Scripture has been converted to the NRSV. This new edition retains the features of the early editions: a minimum of technical terms, solid introductory guidelines in exegetical methods, and a valuable presentation of exegetical theory and practice. It is ideal for
general introductory exegesis courses, introductions to the Old and New Testaments, and introduction to preaching, as well as for pastors and lay leaders.

**The Historical Christ and the Jesus of Faith** C. Stephen Evans 1996-04-18

The story of Jesus of Nazareth, as recounted in the New Testament, has always been understood by the church to be historically true. It is an account of the life, death, and resurrection of a real person, whose links with history are firmly signalled in the creeds of the early church, which affirm that Jesus 'suffered under Pontius Pilate'. Contemporary historical scholarship has, however, called into question the reliability of the church's version of this story, and thereby raised the question as to whether ordinary people can know its historical truth. This book argues that the historicity of the story still matters, and that its religious significance cannot be captured by the category of 'non-historical myth'. The commonly drawn distinction between the Christ of faith and Jesus of history cannot be maintained. The Christ who is the object of faith must be seen as historical; the Jesus who is reconstructed by historical scholarship is always shaped by commitments of faith. A reconsideration of the Enlightenment epistemologies that underlie much historical scholarship shows that historical knowledge of this story is still possible. Such knowledge can be inferential, based on historical evidence. A careful look at contemporary New Testament studies, and the philosophical and literary assumptions upon which it rests, shows that this scholarship should not undermine the confidence of lay people who believe that they can know that the church's story about Jesus is true.

**Life in Abundance** Raymond Edward Brown 2005 "Primarily a collection of essays (originally papers) and responses given at 'An International Conference on the Gospel of John: Life in Abundance,' held at St. Mary's Seminary and University in Maryland, October 16-18, 2003; the book includes presentatio

**The Ways of Our God** Charles H. H. Scobie 2003 At a time when Old Testament and New Testament studies are considered to be two very different tasks, this major new work by Charles Scobie offers an approach to biblical theology meant to take in the entire sweep of divine revelation. Comprehensive in scope, this book covers every aspect of biblical theology. Chapters are devoted first to the nature and task of biblical theology and then to major themes within the biblical message -- God's order, God's servant, God's people, and God's way. Each section of the book also features an extensive system of helpful cross-references. Not only is Scobie's attempt to bridge the biblical testaments admirable, but he also takes great care to present scholarship that is at the same time informed by, and relevant to, the daily life and work of the church. The result is a book that is relevant to readers everywhere. Accessible to teachers, clergy, students, and general readers alike, this book will reinvigorate the study of the Bible as the unified word of God.

**Epworth Review** 1983
