*Paris* André Bourguignon 1986

*From Here, You Can't See Paris* Michael S. Sanders 2003-09-30 From Here, You Can't See Paris is a sweet, leisurely exploration of the life of Les Arques (population 159), a hilltop village in a remote corner of France untouched by the modern era. It is a story of a dying village's struggle to survive, of a dead artist whose legacy began its rebirth, and of chef Jacques Ratier and his wife, Noëlle, whose bustling restaurant -- the village's sole business -- has helped ensure Les Arques's future. Sanders set out to explore the inner workings of a French restaurant kitchen but ended up stumbling into a much richer world. Through the eyes of the Sanders family, one discovers the vibrant traditions of food, cooking, and rural living, and comes to know the village's history. Whether uncovering the darker secrets of making foie gras, hearing a chef confess his doubts about the Michelin star system, or absorbing the lore of the land around a farmhouse kitchen table after a boar hunt, life in Les Arques turns out to be anything but sleepy.

*The Midnight Sky* James Baldwin 2021-09-21 An essential compendium of James Baldwin’s most powerful nonfiction work, calling on us to “end the racial nightmare, and achieve our country.” Personal and prophetic, these essays uncover what it means to live in a racist American society with insights that feel as fresh today as they did over the 4 decades in which he composed them. Longtime Baldwin fans and especially those just discovering his genius will appreciate this essential collection of his great nonfiction writing, available for the first time in an affordable paperback. Along with 46 additional pieces, it includes the full text of dozens of Baldwin’s famous essays from such books as: • Notes of a Native Son • Nobody Knows My Name • The Fire Next Time • No Name in the Street • The Devil Finds Work This collection provides the perfect entrée into Baldwin’s prescient commentary on race, sexuality, and identity in an unjust American society.

*Flowers of the Sky* Richard Anthony Proctor 1883

*The Zodiac of Paris* Jed Z. Buchwald 2021-10-12 The clash of faith and science in Napoleonic France The Dendera zodiac—an ancient bas-relief temple ceiling adorned with mysterious symbols of the stars and planets—was first discovered by the French during Napoleon’s campaign in Egypt, and quickly provoked a controversy between scientists and theologians. Brought to Paris in 1821 and ultimately installed in the Louvre, where it can still be seen today, the zodiac appeared to depict the nighttime sky from a time predating the Biblical creation, and therefore cast doubt on religious truth. The Zodiac of Paris tells the story of this incredible archeological find and its unlikely role in the fierce disputes over science and faith in Napoleonic and Restoration France. The book unfolds against the turbulence of the French Revolution, Napoleon’s breathtaking rise and fall, and the restoration of the Bourbons to the throne. Drawing on newspapers, journals, diaries, pamphlets, and other documentary evidence, Jed Buchwald and Diane Greco Josefowicz show how scientists and intellectuals seized upon the zodiac to discredit Christianity, and how this drew furious responses from conservatives and sparked debates about the merits of scientific calculation as a source of knowledge about the past. The ideological battles would rage until the thoroughly antireligious Jean-François Champollion unlocked the secrets of Egyptian hieroglyphs—and of the zodiac itself. Champollion would prove the religious reactions right, but for all the wrong reasons. The Zodiac of Paris brings Napoleonic and Restoration France vividly to life, revealing the lengths to which scientists, intellectuals, theologians, and conservatives went to use the ancient past for modern purposes.

*The Paris Spleen* Charles Baudelaire 1868

*Wireless World* 1914

*The Journal of the Institution of Electrical Engineers* 1915
Parisian Sketches Joris-Karl Huysmans 2004 First published in 1880, same year as Edgar Degas' The Dancing Lesson and Edouard Manet's solo show of brasserie paintings at La Vie Modern Gallery. J.-K. Huysmans' Parisian Sketches shared with these vibrant Impressionists works a fascination with the contemporary life of Paris, an exuberant Paris in the era of the Opera Garnier and the Folies-Bergeres. Like the striking images of the early Impressionists, whom Huysmans championed when it was fashionable to do so, Parisian Sketches is an all-out assault on the visual senses. Composed of a series of intense, meticulously observed impressions - of cafe concerts and circus performers, of streetwalkers and hot-chestnut sellers, of run-down slums and forgotten quarters in the grimy, shiny 'City of Light' - Parisian Sketches recreates the Paris of the bal masque and the cancan, the brassières a femme and the buveurs d'absinthe, all captured with an intimacy and an immediacy that confirms Huysmans as one of the masters of 19th century French prose.

Beneath The Parisian Skies Alii Sinclair 2017-07-01 A woman's journey through love and darkness to save the sister lost to her, set against the seductive backdrop of contemporaneous Paris and 1917 Ballet Russes. A sweeping saga about love, truth, grief and passion - and what it takes to fulfil a dream. Paris, 1917 Ballerina Viktoriya Budian narrowly escapes Russia with her life. She arrives in Paris determined to start afresh with the famed Ballets Russes but her newfound success is threatened when her past returns to haunt her. Forced to choose between love and fame, Viktoriya's life spirals out of control and the decision she makes seriously affects the lives of many for years to come. Paris, present day Australian dancer Lily Johansson returns to Paris, the city that broke her heart and destroyed her ballet career, hoping to ease the guilt over her fiancé's death and to make amends with her estranged sister, Natalie, a ballerina with the Ballets National de Lutèce. As they navigate schools—not to mention puberty—in a foreign language, and her mother-in-law Marina's raised eyebrow in the kitchen (even as Marina overfeeds Milo, the family dog). Paris dog invites the reader into the life of a New York Times bestselling author and her spirited, enchanting family, framed by la ville de l'amour. Praise for Paris in Love "Exhilarating and enchanting . . . brims with a casual wisdom about life."—Chicago Tribune "In this delightful charm-bracelet of memoir, [Eloisa James shares] her adventures as an American suddenly immersed in all things French—food, clothes, joie de vivre."—People "Enchanting . . . gives the reader a sense of being immediately along with the author in Paris for a year . . . you see the rain, taste the food, feel the colors."—USA Today "This delightful, charming and delightful memoir . . . is more than a visit to a glorious city: it is also a tour of a family, a marriage, and a love that has no borders. Très magnifique!"—Library Journal (starred review) "A charming, funny and poignant memoir . . . steeped in Paris and suffused with love."—Star Tribune "Charming . . . a romance—for a city, a life, a family, and love itself."—The Huffington Post

Paris: From the Air Jeffrey Milstein 2021-04-13 Combining daring aerial photography with the restricted airspace over Paris provides both breathtaking and unparalleled views. From sunrise to sunset, Paris is one of the most photographed cities in the world. Shooting with the newest high-resolution medium-format professional cameras while leaning out of helicopters making steep turns with the door off, Milstein captures the highly detailed, iconic, straight-down images that set his work apart. Milstein's distinctive style—straight-down—leads to fresh insights of the urban design of this great city. In a way that is impossible from street level, you can see the old neighborhoods of Montmartre and Montparnasse; iconic historical monuments like the Eiffel Tower, Arc de Triomphe or the Invalides; and modern Paris like La Défense or the new neighborhoods of Montmartre and Montparnasse. 

Paris in Love Eloisa James 2012-04-03 NEW YORK TIMES BESTSELLER • From the author of Wilde in Love, a joyful chronicle of a year in one of the most beautiful cities in the world: Paris. "What a beautiful and delightful tasting menu of a book: the kids, the plump little dog, the Italian husband. Reading this memoir was like wandering through a Parisian patisserie in a dream. I absolutely loved it."—Elizabeth Gilbert, author of Eat, Pray, Love When bestselling romance author Eloisa James took a sabbatical from her day job as a Shakespeare professor, she also took a leap that many people dream about: She sold her house and moved her family to Paris. With no classes to teach, no committee meetings to attend, no lawn to mow or cars to park, Eloisa revels in the new freedom of her life. In the author's own words, "She..."
thrift store, the most glamorous hotel. To discover the real Paris, you must become Parisian. 300 Reasons to Love Paris takes you off the beaten path, and into the burgeoning city, where you can let yourself be carried away by adventure and discovery!

**Corot**
Gary Tinterow 1996-01-01 Published to accompany a major exhibition of Jean-Baptiste-Camille Corot's paintings held in Paris and Ottawa during 1996, and forthcoming to New York. From nearly 3,000 paintings by this poetic 19th-century artist, the curators chose 163 works, which are reproduced here along with full art-historical discussions of each. Three major essays chronicle Corot's life and the development of his art; additional essays elucidate the subject of forgeries and describe the collecting of his works. Much original new scholarship is included along with a review of the scholarly literature, a concordance, and a chronology.

The J. Paul Getty Museum Journal
The J. Paul Getty Museum Journal has been published annually since 1974. It contains scholarly articles and shorter notes pertaining to objects in the Museum’s seven curatorial departments: Antiquities, Manuscripts, Paintings, Drawings, Decorative Arts, Sculpture and Works of Art, and Photographs. The Journal includes an illustrated checklist of the Museum’s acquisitions for the previous year, a staff listing, and a statement by the Museum’s director outlining the year’s most important activities. Volume 21 of the J. Paul Getty Museum Journal includes articles by John Walsh, Barbara C. Anderson, Ariel Herrmann, Jill Finsten, Lynn F. Jacobs, And Peter J. Holliday.

**Fire Along the Sky**
Robert Moss 2010-02-01 A wildly entertaining historical adventure, deep inside the crucible in which America was forged. Splendidly researched and wildly amusing historical adventure Tom Jones as The Deerslayer. Kirkus Reviews Dearest Shane, I dream you as the leopard. Last night you came to me in his skin. So, in the voice of one of his lovers, we first encounter Shane Hardacre, the narrator and protagonist of Fire Along the Sky. An eloquent Anglo-Irish rake and fictional kinsman of Sir William Johnson, the Kings Superintendent of Indians, Shane comes to the New World from London because of a doubtful wager. I laid money on whether a man would take his own life, as Shane informs us. That man was Robert Davers, a Norfolk baronet who sought to escape melancholia and learn the nature of the soul among the dream-catchers of North America. He ignored Johnsons caution that if you go looking for the spirit world of Indians, you will find you are already inside it and found savage death during the Pontiac revolt. We enter the extraordinary world created by William Johnson in the Mohawk Valley in the aftermath of the French and Indian War, in the time when America was forged. We meet extraordinary historical figures: the warrior chief Pontiac and the Delaware Prophet who inspired his revolt; Angelique, the Pompadour of Detroit; Molly Brant and her brother Joseph; and Patience Wright, the wax sybil, an American spy in London who rivaled Madame Tussaud. The action races from the notorious Hell-Fire Club in England to the murder of Pontiac near St. Louis, from Mesmers performance for Ben Franklin in a Paris salon to bigamy and intrigue in New Orleans when an Irish captain-general held the city in the name of the Spanish king. Fire Along the Sky is grand entertainment that carries lightly a wealth of original research summarized in the copious notes from the editor. Through the narrators worldly skepticism, we are given a window into the shamanic dream practices of early Native Americans. The voice of Valerie DArcy, in the correspondence interwoven with Shanes narrative, provides a knowing womans counterpoint to Shanes phallocratic assumptions. I had intended to burn all your manuscripts but I now see that this would do a disservice to those in future times who may wish to know the secret springs of our history in this world turned upside down
