History of the Pacific States of North America: Utah Hubert Howe Bancroft 1889

Books, Bluster, and Bounty Susan H. Swetnam 2012-04-30 “Susan Swetnam uses case studies of western applications for Carnegie libraries to examine how local support was mustered for cultural institutions in the late nineteenth and early twentieth century interior West. This is a comparative study involving the entire region between the Rockies and the Cascades/Sierras, including all of Idaho, Utah, Nevada, and Arizona; western Montana, Wyoming, and Colorado; eastern Oregon and Washington; and small parts of California and New Mexico. The study addresses not just the how of the process of establishing Carnegie libraries but, more importantly, the variable why. Although virtually all citizens and communities in the West who sought Carnegie libraries were after tangible benefits that were only tangentially related to books, what they specifically wanted varied in correlation with the diversity of the communities of the West: "Library proponents in Inland Empire boom towns, for example, touted Carnegie libraries to their fellow citizens as instruments of economic advantage over rival communities; citizens in rural LDS communities promoted Carnegie libraries as a force against the encroaching secular influences they feared threatened their children; a small cadre of Carnegie library proponents in several of Utah’s largest cities, in stark contrast, actually promoted the projects to their fellow Gentiles as a corrective to LDS insularity. Economically stable Idaho communities sought Carnegie libraries to reinforce their self-perceived cultural superiority; communities in newly American Arizona sought them to counter perceptions of their towns as 'Hispanic mud villages.' And so on.”—

Today's Fundamentalist Mormons in the
American West resist assimilation like their forefathers. Centered on faith, they survive despite efforts to permanently end their cherished plural family arrangements. While some Fundamentalists like Warren Jeffs go rogue and corrupt their beliefs in heinous crimes, most hold steadfastly to a religion they say is biblical and restored by the first Latter-day Saint prophet, Joseph Smith, in the early 1800s. Mormon historians Craig Foster and Marianne Watson present more than two hundred photos and exclusive insights to explain how an estimated thirty thousand Fundamentalist Mormons still venerate a much-debated legacy—despite its difficult challenges—and persist in living plural marriage.

Best Hikes with Dogs Utah Dayna Stern 2013-04-11 CLICK HERE to download the 4 mile hike to Fehr Lake from Best Hikes with Dogs Utah (Provide us with a little information and we'll send your download directly to your inbox)

* 76 of the best trails that allow dogs * Handy trail-finder chart allows quick selection by difficulty, availability of water along the way, views, and more * Trails range from easy strolls to more challenging routes With over 84,900 square miles of national parks, wilderness and recreation areas, state parks, and national forests, Utah offers a wide variety of hiking trails. But with so many national parks and varying land agencies, navigating Utah with a dog can be frustrating and confusing. Lucky for you, Park City author Dayna Stern and her pup Harry have done the groundwork (and pawwork) to bring you this authoritatively researched guide on hiking with your dog in Utah. Best Hikes with Dogs: Utah describes 76 of the best dog-friendly trails in six regions around the Beehive State: Northern Utah, Salt Lake City area, Wasatch, the Uintas, Southcentral Utah, and Southwestern Utah. Stern describes several hiking options close to communities such as Salt Lake City, Ogden, Provo, Moab, and St. George and dog-friendly hiking destinations such as the Escalante River and Pine Valley Mountains. She also gives special attention to the unique skills and preparation needed for hiking with dogs in the varied terrain of Utah, including hiking near slot canyons, slick rock, and hiking in areas that lack water with your dog.

Joseph Holbrook Mormon Pioneer and the Next Generation Volume II Pamela Call Johnson 2014-03-04 Read about the settlement of Utah through the words of Mormon Pioneer, Joseph Holbrook, as written in his journal. Also included are stories and commentary on The Next Generation who went into Star Valley, Wyoming, to settle when outlaws infested that region. Among the most interesting of these was Butch Cassidy. Fresh insights into Cassidys life and why he became an outlaw are revealed side by side with the life sketches of Anson Vasco Call II, the first mayor of Afton, Wyoming, and other stories of the settlement of the area. Shown here is the LDS tabernacle in Bountiful, Utah, (top) that Joseph Holbrook helped build and the LDS tabernacle in Star Valley, Wyoming, (bottom) that his grandson, Anson Vasco Call II. helped erect. Joseph Holbrooks legacy is far-reaching and extensive and includes the accomplishments of his many descendants.
